Date March 31, 2025

Overview

This bill directs the commissioner of human services to develop a verification form for medical assistance (MA) managed care enrollees and requires that the commissioner withhold two percent of the capitation payment provided to managed care organizations until MA enrollees complete and sign the verification form.

Summary

Section	Description
---------	-------------

- | | |

| 1 | <p>Managed care contracts.</p> <p>Amends § 256B.69, subd. 5a. Directs the commissioner to withhold two percent of the capitation payment provided to managed care organizations for each MA enrollee for services provided during the 2026 plan year. Provides that the commissioner must return the withheld funds after receiving verification of coverage forms signed by enrollees. Requires the commissioner to develop the verification of coverage form and specifies what the form must include. Prohibits the commissioner from returning withheld funds for any enrollee that does not submit a completed and signed verification form to the commissioner.</p> |
