Article 1: Affordable Care Act Implementation; Better Health Care for More Minnesotans

Overview

This article contains provisions related to the MinnesotaCare program, and requirements for a basic health plan under the federal Affordable Care Act. The article eliminates the \$10,000 annual limit on inpatient hospital benefits and the four-month uninsured and 18-month no access to employer subsidized insurance requirements. The article also reduces MinnesotaCare income limits, increases MA income limits for children, establishes requirements for service delivery, and directs the commissioner of human services to seek federal authority and funding to operate a health coverage program for persons with incomes up to 275 percent of the federal poverty guidelines (FPG).

- MinnesotaCare federal receipts. Amends § 16A.724, subd. 3. Dedicates all federal funding received for implementation and administration of MinnesotaCare as a basic health program to that program and requires this money to be deposited into the health care access fund. Allows this money to be used only for that program to: purchase health coverage for enrollees, reduce enrollee premiums and cost-sharing, or provide additional benefits. Strikes language related to the deposit of federal funds for administrative costs. Provides a January 1, 2015 effective date.
- **Eligibility.** Amends § 254B.04, subd. 1. Strikes a cross-reference to a section repealed later in the bill (§ 256B.057, subd. 2).
- **Federal approval.** Amends § 256.01, by adding subd. 35. (a) Requires the commissioner to seek federal authority necessary to operate a health insurance program for persons with incomes up to 275 percent of FPG. The proposal must seek to secure all federal funding available from at least the following sources:
 - (1) premium tax credits and cost sharing subsidies for individuals with incomes above 133 percent and at or below 275 percent of FPG, who would otherwise be enrolled in the Minnesota Insurance Marketplace;
 - (2) Medicaid; and
 - (3) other funding sources identified by the commissioner that support coverage or care redesign.
 - (b) Requires funding received to be used to design and implement a health insurance program that is streamlined and meets the needs of Minnesotans with income up to 275 percent of FPG. Specifies program criteria.
 - (c) Directs the commissioner to develop and submit a proposal consistent with the criteria in paragraph (b), and seek all federal authority necessary to implement the program. Requires the commissioner to consult with stakeholder groups and consumers in developing the proposal.

- (d) Authorizes the commissioner to seek any available federal waivers and approvals prior to 2017.
- (e) Requires the commissioner to report progress to the relevant legislative committees by December 1, 2014.
- (f) Gives the commissioner authority to accept and spend federal funds.
- **Caretaker relative.** Amends § 256B.02, by adding subd. 18. Defines "caretaker relative." Provides a January 1, 2014 effective date.
- Insurance affordability program. Amends § 256B.02, by adding subd. 19. Defines "insurance affordability program" as one of the following: (1) MA; (2) a program that provides premium tax credits or cost-sharing reductions; (3) MinnesotaCare; and (4) a Basic Health Plan. Provides an immediate effective date.
- Applications for medical assistance. Amends § 256B.04, subd. 18. Requires DHS to accept applications for MA by telephone, mail, in-person, online, and through other commonly available electronic means. Strikes the requirement that DHS conduct eligibility determinations for MinnesotaCare. Requires DHS to determine whether individuals found not eligible for MA are potentially eligible for other insurance affordability programs. Provides a January 1, 2014 effective date.
- **Families with children.** Amends § 256B.055, subd. 3a. Expands MA eligibility to include children under the age of 19 (current law refers to children under age 18, with certain education-related exceptions for children under 19). Provides an effective date of January 1, 2014, or upon federal approval, whichever is later.
- **Pregnant women; needy unborn child.** Amends § 256B.055, subd. 6. Requires the MA program, when providing coverage to pregnant women, to accept self-attestation of pregnancy, unless the agency has information not reasonably compatible with the attestation. (Current law requires written verification of pregnancy from a physician or licensed registered nurse.) Provides a January 1, 2014 effective date.
- Infants. Amends § 256B.055, subd. 10. States that MA covers infants less than two years of age in a family with countable income less than the income standard. (With this change, this section will reflect coverage under current MA law.) Provides an effective date of January 1, 2014, or upon federal approval, whichever is later.
- Adults without children. Amends § 256B.055, subd. 15. Modifies the definition of the adults without children under MA, to remove a requirement that the person not be an adult in a family with children and to require the person to not otherwise be eligible for MA under the aged, blind, or disabled eligibility category as a person who meets the categorical requirements of the Supplemental Security Income Program, and not be enrolled as a person who would meet these requirements except for excess income or assets. Provides a January 1, 2014 effective date.

Adults who were in foster care at the age of 18. Amends § 256B.055, by adding subd. 17. Allows MA coverage for a person under age 26 who was in foster care on the date of attaining 18 years of age, and who was enrolled in MA while in foster care. Provides a January 1, 2014 effective date.

DRAFT

- **Residency.** Amends § 256B.056, subd. 1. Requires MA applicants to be residents of the state in accordance with specified federal regulations (current law requires compliance with the rules of the state agency). Provides a January 1, 2014 effective date.
- **Families with children income methodology.** Amends § 256B.056, subd. 1c. Strikes a cross-reference to a section repealed in the bill, related to MA income eligibility for children.
- **Asset limitations for certain individuals.** Amends § 256B.056, subd. 3. Strikes language that states that no asset limit applies to persons eligible for MA as adults without children. Provides a January 1, 2014 effective date.
- **Income.** Amends § 256B.056, subd. 4. Effective January 1, 2014, increases the MA income limit for children under age 19 to 275 percent of FPG and makes a conforming change. (The remaining changes in this section were enacted into law in chapter 1 (HF9).)
- **Excess income standard.** Amends § 256B.056, subd. 5c. Clarifies that the spend-down standard set at 100 percent of FPG applies to parents and caretaker relatives, pregnant women, infants, and children two through 20. Also strikes outdated language. Provides a January 1, 2014 effective date.
- **Periodic renewal of eligibility.** Amends § 256B.056, by adding subd. 7a. (a) Requires the commissioner to make annual redeterminations of eligibility based on information in the enrollee's case file and other available information, without requiring the enrollee to submit any information when sufficient data is available to renew eligibility.
 - (b) If eligibility cannot be renewed as provided in paragraph (a), requires the commissioner to provide the enrollee with a prepopulated renewal form, and to permit the enrollee to submit the form with any corrections or additional information, and to sign the renewal form by the allowed means of submission.
 - (c) Allows an enrollee terminated for failure to complete the renewal process to submit the renewal within four months of termination and if eligible, have coverage reinstated without a lapse (retroactive to the date of termination).
 - (d) Requires individuals eligible under a spend-down to renew eligibility every six months.

Provides a January 1, 2014 effective date.

Eligibility verification. Amends § 256B.056, subd. 10. Requires the commissioner to use information obtained through the electronic service established by the U.S. Department of Health and Human Services and other available electronic data sources to verify eligibility requirements. Requires the commissioner to establish standards to define when information obtained electronically is reasonably compatible with information provided by applicants and enrollees (including self-attestation), to allow real-time eligibility determinations and

Section

maintain program integrity. Provides a January 1, 2014 effective date.

- Infants and pregnant women. Amends § 256B.057, subd. 1. Provides that infants less than age two are eligible for MA. (Current law in this section refers to infants less than age one.) Also removes the requirement that pregnant women has written verification of pregnancy from a physician or registered nurse. Strikes a reference to the use of existing income methodologies based on AFDC income methodology, and adds a reference to the use of an equivalent income standard based on MAGI. Provides a January 1, 2014 effective date.
- **20 Children under age two.** Amends § 256B.057, subd. 8. Adds a reference to using an equivalent income standard based on MAGI, in a provision of law specifying the MA income limit for children under age two. Provides a January 1, 2014 effective date.
- **Certain persons needing treatment for breast or cervical cancer.** Amends § 256B.057, subd. 10. Removes a cross-reference to a section repealed in this bill.
- Presumptive eligibility determinations made by qualified hospitals. Amends § 256B.057, by adding subd. 12. Directs the commissioner to establish a process to qualify hospitals to determine presumptive eligibility for MA for applicants who may have a basic of eligibility using MAGI. Provides a January 1, 2014 effective date.
- **Definitions.** Amends § 256B.059, subd. 1. Expands the definition of "institutionalized spouse" to include persons receiving services under a range of home and community-based waivers for persons with disabilities. Also makes related changes in terminology. Provides a January 1, 2014 effective date.
- Citizenship requirements. Amends § 256B.06, subd. 4. Clarifies that MA coverage, funded through the federal Children's Health Insurance Program, is for pregnancy related services for pregnant women funded who are ineligible for federally funded MA (this consolidates the current law reference to persons who are undocumented, nonimmigrants, or lawfully present). Adds a new paragraph (k) providing MA coverage without a federal match for all services to this group of noncitizens who are lawfully present. Provides a January 1, 2014 effective date.
- Accountability. Amends § 256B.0755, subd. 3. Requires a health care delivery system to demonstrate how its services will be coordinated with services provided by other providers and county agencies. Requires health care delivery systems to document how providers and counties, including county-based purchasing plans, who will provide services to persons attributed to the health care delivery system, participated in developing the application, and requires health care delivery systems to verify that these entities support the project and are willing to participate. Also requires a health care delivery system to document how it will address local needs, priorities, and public health goals. Provides that this section applies to contracts entered into or renewed on or after July 1, 2013.
- Sole-source or single-plan managed care contract. Amends § 256B.694. Allows the commissioner to consider and approve contracting on a single-plan basis with county-based purchasing plans to serve state health care program enrollees. (Current law limits this to plans serving persons with a disability who voluntarily enroll.)

- Affordable Care Act. Amends § 256L.01, by adding subd. 1b. Provides a definition of the Affordable Care Act. Provides an effective date of January 1, 2014, or upon federal approval, whichever is later.
- **Family.** Amends § 256L.01, subd. 3a. Amends the definition of family, by referring to federal regulations that defines the family as those individuals for whom a taxpayer claims a deduction for a personal exemption. Provides an effective date of January 1, 2014, or upon federal approval, whichever is later.
- **Minnesota Insurance Marketplace.** Amends § 256L.01, by adding subd. 4b. Defines the Minnesota Insurance Marketplace as that enacted in H.F. 5/S.F. 1.
- **Income.** Amends § 256L.01, subd. 5. Defines income under MinnesotaCare as modified adjusted gross income. Provides an effective date of January 1, 2014, or upon federal approval, whichever is later.
- Participating entity. Amends § 256L.01, by adding subd. 6. Defines a participating entity as a health plan company, county-based purchasing plan, accountable care organization or other entity operating a health care delivery systems demonstration project, an entity operating a county integrated health care delivery network pilot project, or a network of health care providers established to offer services under MinnesotaCare. Provides a January 1, 2015 effective date.
- Commissioner's duties. Amends § 256L.02, subd. 2. Requires payment for MinnesotaCare services to be made to all participating entities under contract with the commissioner. Provides that nothing in chapter 256L is intended to violate the ACA and prohibits the commissioner from implementing any provision that violates the ACA. Requires a Web site to be used to provide information about medical programs and promote access to services. Provides that this section is effective July 1, 2014, or upon federal approval, except that the amendment related to "participating entities" is effective January 1, 2015.
- Federal approval. Amends § 256L.02, by adding subd. 6. (a) Requires the commissioner of human services to seek federal approval to implement the MinnesotaCare program as a basic health program. Requires the commissioner to seek to include, in any agreement with the Centers for Medicare and Medicaid Services, procedures to ensure that federal funding is predictable, stable, and sufficient to sustain ongoing operation of the program. Requires the procedures to address the timing of payments, payment reconciliation, enrollee risk adjustment, and minimizing state financial risk. Requires the commissioner of human services to consult with the commissioner of management and budget when developing the basic health plan proposal to be submitted to the federal government.
 - (b) Requires the commissioner of human services, in consultation with the commissioner of management and budget, to work with the Centers for Medicare and Medicaid Services to establish a process for the reconciliation and adjustment of federal payments, that balances state and federal liability over time. Requires the commissioner to request that the state and enrollees be held harmless in the reconciliation process for three years to allow the state to develop a statistically valid methodology to predict enrollment trends and their effect on federal payments.

Section

(c) Allows the commissioner of human services, through December 31, 2015, to modify the MinnesotaCare program, if this is necessary to enhance benefits or provider access or reduce cost-sharing and premiums in order to comply with the terms and conditions of federal approval. Prohibits the commissioner from reducing benefits, limiting provider access, or increasing cost-sharing and premiums. If the commissioner modifies MinnesotaCare, requires the commissioner to provide the legislature with at least ten working days notice before notifying enrollees and participating entities. Provides that the cost of program changes become part of the program's base funding.

Provides an immediate effective date.

- Coordination with Minnesota Insurance Marketplace. Amends § 256L.02, by adding subd. 7. States that MinnesotaCare shall be considered a public health care program for purposes of the Minnesota Insurance Marketplace.
- Covered health services. Amends § 256L.03, subd. 1. Updates the listing of MinnesotaCare covered services, by striking language excluding coverage of inpatient hospital services, inpatient mental health services, and chemical dependency services. (These services are covered under current law.) Also requires coverage of essential health benefits. Provides an effective date of January 1, 2014, or upon federal approval, whichever is later.
- Children; MinnesotaCare health care reform waiver. Amends § 256L.03, subd. 1a. Removes reference to coverage of pregnant women under MinnesotaCare (these individuals are eligible for MA; another provision in this bill states that persons eligible for MA are not eligible for MinnesotaCare). Provides an effective date of January 1, 2014, or upon federal approval, whichever is later.
- **Inpatient hospital services.** Amends § 256L.03, subd. 3. Removes the annual inpatient hospital limit of \$10,000. Provides an effective date of January 1, 2014, or upon federal approval, whichever is later.
- **Loss ratio.** Amends § 256L.03, by adding subd. 4b. Requires coverage provided through the MinnesotaCare program to have a medical loss ratio of at least 85 percent. Provides a January 1, 2015 effective date.
- **Cost-sharing.** Amends § 256L.03, subd. 5. Makes conforming changes related to elimination of the \$10,000 annual limit on inpatient hospital costs. Provides an effective date of January 1, 2014, or upon federal approval, whichever is later.
- Lien. Amends § 256L.03, subd. 6. Modifies the definition of "state agency" by replacing references to prepaid health plans and county-based purchasing entities with a reference to participating entities. This amendment is to a provision that gives the state agency a lien for the cost of covered health services upon causes of action accruing to the enrollee or the enrollee's legal representative. Provides a January 1, 2015 effective date.
- **Families with children.** Amends § 256L.04, subd. 1. Modifies MinnesotaCare income eligibility criteria, to cover families with children with incomes above 133 percent of FPG and not exceeding 200 percent of FPG and makes related changes. (Under current law,

MinnesotaCare covers families with children with incomes not exceeding 275 percent of FPG, with a fixed income limit for parents of \$57,500.) Provides an effective date of January 1, 2014, or upon federal approval, whichever is later.

- General requirements. Amends § 256L.04, by adding subd. 1c. To be eligible for the MinnesotaCare, requires a person to meet the eligibility requirements of this section. Provides that a person eligible for MinnesotaCare shall not be treated as a qualified individual and is not eligible to enroll in a qualified health plan offered through the health benefit exchange. Provides a January 1, 2015 effective date.
- Single adults and households with no children. Amends § 256L.04, subd. 7. Modifies MinnesotaCare income eligibility criteria, to cover individuals and families with no children with incomes above 133 percent of FPG and not exceeding 200 percent of FPG. (Under current law, MinnesotaCare covers individuals and households without children with incomes not exceeding 250 percent of FPG.) Provides an effective date of January 1, 2014, or upon federal approval, whichever is later.
- **Applicants potentially eligible for medical assistance.** Amends § 256L.04, subd. 8. Strikes language that allows potentially eligible persons to enroll in either MinnesotaCare or MA. Provides an effective date of January 1, 2014, or upon federal approval, whichever is later.
- Citizenship requirements. Amends § 256L.04, subd. 10. Expands MinnesotaCare coverage to include individuals who are lawfully present and ineligible for MA due to immigration statues, with family incomes not exceeding 200 percent of FPG (current law provides coverage to immigrants). Provides an effective date of January 1, 2014, or upon federal approval, whichever is later.
- **Coordination with medical assistance.** Amends § 256L.04, by adding subd. 14. (a) States that individuals eligible for MA are not eligible for MinnesotaCare.
 - (b) Requires the commissioner to provide seamless eligibility and access to services, for persons transitioning between MA and MinnesotaCare.

Provides an effective date of January 1, 2014, or upon federal approval, whichever is later.

- Application assistance and information availability. Amends § 256L.05, subd. 1. Allows applicants to submit their applications online, in person, by mail, or by phone in accordance with the ACA, and by any other means by which MA applications may be submitted. Allows applicants to submit applications through the health benefit exchange or through the MinnesotaCare program. Requires MinnesotaCare applications and application assistance to be available at locations at which MA applications must be made available (in addition to those locations already listed in law). Requires online assistance to be available for applicants filing applications with the health benefit exchange. Provides a January 1, 2014 effective date.
- **Commissioner's duties.** Amends § 256L.05, subd. 2. Makes conforming changes, adding references to the Minnesota Insurance Marketplace and the ACA. Provides a January 1, 2014 effective date.

- **Effective date of coverage.** Amends § 256L.05, subd. 3. Strikes references to coverage dates for newborns and newly adoptive children. Adds a reference to the use of MAGI and makes other changes. Provides an effective date of January 1, 2014, or upon federal approval, whichever is later.
- **Commissioner's duties and payment.** Amends § 256L.06, subd. 3. Eliminates the fourmonth waiting period to re-enroll, for persons disenrolled for nonpayment of premium or who voluntarily disenroll. Provides an effective date of January 1, 2014, or upon federal approval, whichever is later.
- General requirements. Amends § 256L.07, subd. 1. Sets the MinnesotaCare income limit at 200 percent of FPG (the current income limit is 275 percent of FPG for families and children and 250 percent of FPG for adults without children). Also strikes references to the MinnesotaCare insurance barriers, which are modified in a later section. Makes conforming changes. Provides an effective date of January 1, 2014, or upon federal approval, whichever is later.
- Must not have access to employer-subsidized minimum essential coverage. Amends § 256L.07, subd. 2. Provides that persons with access to subsidized health coverage that is affordable and provides minimum value as defined in federal regulations are not eligible for MinnesotaCare. Under current law, persons must not have access to subsidized employer coverage, or have had access through the current employer for 18 months prior to application or reapplication. Subsidized coverage is that for which the employer pays at least 50 percent of the cost. Provides an effective date of January 1, 2014, or upon federal approval, whichever is later.
- Other health coverage. Amends § 256L.07, subd. 3. Provides that a family or individual must not have minimum essential health coverage, to be eligible for MinnesotaCare. Strikes the requirement under current law that persons must have no health coverage while enrolled, or for at least four months prior to application and renewal, and also strikes related language. Provides an effective date of January 1, 2014, or upon federal approval, whichever is later.
- **Residency requirement.** Amends § 256L.09, subd. 2. Strikes a reference to pregnant women. Provides an effective date of January 1, 2104, or upon federal approval, whichever is later.
- Reimbursement of inpatient hospital services. Amends § 256L.11, subd. 6. Strikes language related to the annual inpatient hospital benefit limit and makes related changes. Provides an effective date of January 1, 2014 or upon federal approval, whichever is later.
- **Service delivery.** Adds § 256L.121.
 - **Subd. 1.** Competitive process. Requires the commissioner to establish a competitive process for contracting with participating entities for the offering of standard health plans. Requires coverage to be available beginning January 1, 2015. Requires each standard health plan to cover the services listed in section 256L.03 and meet the requirements of that section. States that the competitive process must meet the requirements of the ACA and be designed to increase access to high-quality health care coverage options. Requires the commissioner,

to the extent feasible, to seek to ensure that enrollees have the choice of coverage from more than one participating entity within a geographic area. In rural areas other than metropolitan statistical areas, requires the commissioner to use the competitive procurement process used for the prepaid medical assistance program, except for competitive bidding.

- **Subd. 2. Other requirements for participating entities.** Directs the commissioner to require participating entities, as a condition of contract, to document: (1) the provision of culturally and linguistically appropriate services, including marketing materials, to enrollees; and (2) the inclusion of essential community providers in provider networks.
- **Subd. 3.** Coordination with state-administered health programs. Requires the commissioner to coordinate the administration of MinnesotaCare with medical assistance and other state-administered health programs. Specifies requirements for coordination.

Provides an immediate effective date.

- **Premium determination.** Amends § 256L.15, subd. 1. Strikes references to nonpayment of premiums for pregnant women and children. Provides an effective date of January 1, 2014 or upon federal approval, whichever is later.
- Sliding fee scale; monthly gross individual or family income. Amends § 256L.15, subd. 2. Adjusts the MinnesotaCare premium scale to reflect the reduction in the program income limit to 200 percent of FPG. Makes conforming changes. Provides an effective date of January 1, 2014, or upon federal approval, whichever is later.
- Determination of funding adequacy. Requires the commissioners of revenue and management and budget, in consultation with the commissioner of human services, to conduct an assessment of health care taxes, including the gross premiums tax, the provider tax, and Medicaid surcharges, and their relationship to the long-term solvency of the health care access fund, as part of the November 2013 forecast. Requires the commissioners to determine the amount of state funding that will be needed after December 31, 2019, in addition to federal basic health plan payments, for the MinnesotaCare program, and to evaluate the stability and likelihood of long-term federal funding. Requires the commissioners to report results to the legislature by January 15, 2014, including recommendations for changes to state revenue for the fund, if state funding will continue to be required.

60 State-based risk adjustment system assessment.

- (a) Requires the commissioners of health, human services, and commerce, and the board of MNsure, to study whether Minnesota-based risk adjustment of the individual and small group insurance market, using either the federal risk adjustment model or a state-based alternative, can be more cost-effective and provide better performance than risk adjustment conducted by federal agencies. Specifies criteria for the study.
- (b) Requires the commissioner of health to collect from health carriers specified data necessary to conduct risk adjustment.
- (c) Requires the commissioner of health to also assess whether the data collected are

Section

sufficient to develop and operate a state alternative risk adjustment methodology. Specifies evaluation criteria and related requirements.

- (d) Requires the commissioner of human services to evaluate opportunities to maximize federal funding under the basic health plan provisions of the Affordable Care Act, and to make recommendations on risk adjustment strategies to maximize federal funding to the state.
- (e) Requires the commissioners and the board of MNsure to submit an interim report to the legislature by March 15, 2014, and a final report by October 1, 2015. Specifies report requirements.
- (f) Defines the MNsure board as that established in section 62V.03.
- **Revisor's instruction.** Directs the Revisor to remove references to sections repealed in the bill and make conforming changes.

Repealer.

- (a) Repeals the following provisions, effective January 1, 2014: § 256L.01, subd. 4a (definition of gross income); 256L.031 (Healthy Minnesota Contribution Program); 256L.04, subds. 1b (children with incomes greater than 275 percent FPG), 9 (reference to General Assistance Medical Care), and 10 (deeming of sponsor income and resources); 256L.05, subd. 3b (reapplication after a lapse); 256L.07, subds. 5 (voluntary disenrollment for members of the military), 8 (automatic eligibility for foster care and other children), and 9 (eligibility for firefighters and ambulance attendants); 256L.11, subd. 5 (payment for inpatient hospital services for children); and 256L.17 (MinnesotaCare asset requirement).
- (b) Repeals § 256L.12 (service delivery through managed care) effective January 1, 2015.

Article 2: Reform 2020; Redesigning Home and Community-Based Services

Overview

This article modifies the Disability LinkAge Line, the Senior LinkAge Line, long-term care consultations, SAIL projects, the common entry point for reporting maltreatment of a vulnerable adult, and creates community first services and supports.

Resident assessment schedule. Amends § 144.0724, subd. 4. Modifies the list of assessments used to determine nursing facility level of care.

- **Balancing long-term care services and supports: report and study required.** Amends § 144A.351.
 - **Subd. 1. Report requirements.** No changes.
 - **Subd. 2. Critical access study.** Requires the commissioner to conduct a onetime study to assess local capacity and availability of home and community-based services for older adults and people with disabilities and people with mental illnesses. Requires the study to assess critical access at the community level and identify potential strategies to build home and community-based service capacity in critical access areas. Requires the report to be submitted to the legislature no later than August 15, 2015.
- City, county, and state social workers. Amends § 148E.065, subd. 4a. Exempts city, county, and state agencies employing staff designated to perform duties under the Senior LinkAge Line and Disability LinkAge Line from employing licensed social workers.
- Specific powers. Amends § 256.01, subd. 2. Requires the commissioner to designate agencies that operate the Senior LinkAge Line and the Disability LinkAge Line as the state of Minnesota Aging and the Disability Resource Centers under federal law and to incorporate cost reimbursement claims from the designated centers into the federal cost reimbursement claiming processes. Requires reimbursements to be appropriated to the commissioner to be granted to the Aging and Disability Resource Center designated agencies.
- **Disability LinkAge Line.** Amends § 256.01, subd. 24. Modifies the Disability LinkAge Line.
- 6 Consumer information and assistance and long-term care options counseling; Senior LinkAge Line. Amends § 256.975, subd. 7. Modifies the Senior LinkAge Line.
- Preadmission screening activities related to nursing facility admissions. Amends § 256.975, by adding subd. 7a. Requires all individuals seeking admission to Medicaid certified nursing facilities to be screened prior to admission. States the purpose of the screening is to determine the need for nursing facility level of care and to complete federally required activities related to mental illness and developmental disabilities. Lists the criteria that apply to the preadmission screening. Allows the local county mental health authority or the state developmental disability authority to prohibit admission to a nursing facility if the individual does not meet the nursing facility level of care criteria or needs specialized services. Lists the screener's duties in assessing a person's needs. Makes this section effective October 1, 2013.

Version: Delete everything amendment

- **Exemptions and emergency admissions.** Amends § 256.975, subd. 7b. Lists exemptions from the federal screening requirements. Lists persons who are exempt from preadmission screening for purposes of level of care determination. Specifies when a screening must occur for persons admitted to a Medicaid certified nursing facility from the community on an emergency basis or from an acute care facility on a nonworking day. Allows emergency admissions to a nursing facility prior to a screening under certain conditions. Requires nursing facilities to provide written information to all persons admitted regarding a person's right to request and receive long-term care consultation services. Makes this section effective October 1, 2013.
- **Screening requirements.** Amends § 256.975, by adding subd. 7c. Lists preadmission screening requirements. Makes this section is effective October 1, 2013.
- Payment for preadmission screening. Amends § 256.975, by adding subd. 7d. Specifies funding sources for preadmission screening. Requires the Minnesota Board on Aging to employ sufficient personnel to provide preadmission screening and level of care determination services and to maximize federal funding for the service. Makes this section is effective October 1, 2013.
- Priority for other grants. Amends § 256.9754, by adding subd. 3a. Requires the commissioner of health to give priority to community services development grantees using technology as a part of a proposal when awarding technology-related grants. Requires the commissioner of transportation to give priority to grantees creating transportation options for older adults when distributing transportation-related funds.
- **State waivers.** Amends § 256.9745, by adding subd. 3b. Allows the commissioner of health to waive applicable state laws and rules on a time-limited basis if the commissioner determines that a participating grantee requires a waiver in order to achieve demonstration project goals.
- Grant preference. Amends § 256.9754, subd. 5. Requires the commissioner to give preference when awarding community services development grants to areas with identified home and community-based services needs.
- **Evaluation.** Amends §256B.021, by adding subd. 4a. Requires the commissioner to evaluate certain Medicaid Reform Waiver projects and lists the information that must be included in the evaluation.
- Work, empower, and encourage independence. Amends § 256B.021, by adding subd. 6. Upon federal approval, requires the commissioner to establish a demonstration project to provide navigation, employment supports, and benefits planning services to a targeted group of Medicaid recipients beginning July 1, 2014. Requires the project to promote economic stability, increase independence, and reduce applications for disability benefits while providing a positive impact on the health and future of participants.
- **Housing stabilization.** Amends § 256B.021, by adding subd. 7. Upon federal approval, requires the commissioner to establish a demonstration project to provide service coordination, outreach, in-reach, tenancy support, and community living assistance to a

Version: Delete everything amendment

Section

targeted group of Medicaid recipients beginning January 1, 2014. Requires this project to promote housing stability, reduce costly medical interventions, and increase opportunities for independent community living.

- 17 Purpose and goal. Amends § 256B.0911, subd. 1. Updates cross-references.
- **Definitions.** Amends § 256B.0911, subd. 1a. Modifies the definitions of "long-term care consultation services" and "long-term care options counseling" by updating cross-references and making conforming changes.

DRAFT

- **Assessment and support planning.** Amends § 256B.0911, subd. 3a. Updates cross-references and modifies the information that must be provided to the person receiving assessment or support planning, or the person's legal representative.
- Preadmission screening of individuals under 60 years of age. Amends § 256B.0911, subd. 4d. Modifies the age at which preadmission screening is required, updates cross-references, makes conforming changes, specifies the funding source for preadmission screenings provided by the Disability LinkAge Line, and requires the Disability LinkAge Line to employ sufficient personnel to provide preadmission screening and level of care determination services and to maximize federal funding. Makes this section is effective October 1, 2013.
- **Determination of institutional level of care.** Amends § 256B.0911, by adding subd. 4e. Requires the determination of the need for nursing facility, hospital, and ICF/DD levels of care to be made according to criteria developed by the commissioner. Specifies the criteria to be used in determining the need for nursing facility level of care.
- **Reimbursement for certified nursing facilities.** Amends § 256B.0911, subd. 7. Updates cross-references.
- **Eligibility for funding for services for nonmedical assistance recipients.** Amends § 256B.0913, subd. 4. Updates a cross-reference.
- Essential community supports grants. Amends § 256B.0913, by adding subd. 17. Specifies the purpose of the essential community supports grant program. Lists grant eligibility criteria. Requires a person receiving any of the essential community supports to also receive service coordination as part of their community support plan. Requires essential community supports grant recipients to be reassessed annually. Authorizes the commissioner to use federal matching funds for essential community supports. Makes essential community supports available, upon federal approval, to individuals who meet specified criteria related to loss of eligibility for MA payment of nursing facility services. Lists services available through essential community supports.
- **Elderly waiver cost limits.** Amends § 256B.0915, subd. 3a. Makes conforming cross-reference changes and specifies the monthly cost limit of elderly waiver services for individuals who are ventilator-dependent. Requires this monthly limit to be increased annually.

- Individual community living support. Amends § 256B.0915, by adding subd. 3j. Establishes a new service under the elderly waiver called individual community living support (ICLS). Specifies where services may be delivered. Requires case managers or care coordinators to develop individual ICLS plans with the client using a tool developed by the commissioner. Requires the commissioner to establish payment rates and mechanisms to align payments with the type and amount of service provided, assure statewide uniformity for payment rates, and assure cost-effectiveness. Requires licensing standards for ICLS to be reviewed to avoid conflict with provider regulatory standards.
- **Assessments and reassessments for waiver clients.** Amends § 256B.0915, subd. 5. Updates a cross-reference.
- Home and community-based services for older adults. Amends § 256B.0917, by adding subd. 1a. Specifies the purpose of projects selected by the commissioner is to make strategic changes in the long-term services and supports system for older adults. States the projects are intended to create incentives for new and expanded home and community-based services in order to meet listed goals. Makes the services provided by these projects available to older adults who are eligible for MA and the elderly waiver, the alternative care program, or essential community supports grants, and to persons who have their own funds to pay for services.
- **Definitions.** Amends § 256B.0917, by adding subd. 1b. Defines "community," "core home and community-based services provider," "eldercare development partnership," "long-term services and supports," and "older adult."
- **Eldercare development partnerships.** Amends § 256B.0917, by adding subd. 1c. Requires the commissioner to select and contract with eldercare development partnerships. Lists the duties of the eldercare development partnerships.
- Caregiver support and respite care projects. Amends § 256B.0917, subd. 6. Modifies caregiver support and respite care projects under SAIL.
- Core home and community-based services. Amends § 256B.0917, by adding subd. 7a. Requires the commissioner to select and contract with core home and community-based services providers for projects to provide services and supports to older adults. Lists criteria projects must meet.
- Community service grants. Amends § 256B.0917, subd. 13. Broadens the preference for awarding community service grants to include areas with service needs identified in a needs determination process. Removes a list of services for which the commissioner must consider grants.
- Reduce avoidable behavioral crisis emergency room, psychiatric inpatient hospitalizations, and commitments to institutions. Amends § 256B.092, by adding subd. 14. Requires certain HCBS recipients to receive a consultation with a mental health professional or a behavioral professional within 30 days of discharge. Lists duties of the mental health or behavioral professional. Defines "institution."

- Development and implementation of quality profiles. Amends § 256B.439, subd. 1. Requires the commissioner to develop quality profiles for providers of long-term care services by July 1, 2014. Requires the quality profiles to be developed using existing data sets and to be incorporated with information on quality maintained by specified organizations and the long-term care database.
- **Quality measurement tools.** Amends § 256B.439, subd. 2. Removes unnecessary language.
- Consumer surveys of nursing facilities residents. Amends § 256B.439, subd. 3. Specifies consumer surveys are surveys of nursing facility residents.
- Home and community-based services report card in cooperation with the commissioner of health. Amends § 256B.439, by adding subd. 3a. Requires the profiles developed for home and community-based services providers to be incorporated into a report card and maintained by the Minnesota Board on Aging. Specifies the categories that must be used to organize the consumer information in the profiles. Requires the commissioner to develop and disseminate the quality profiles for a limited number of provider types initially, and to develop quality profiles for additional provider types as measurement tools are developed and data becomes available. Specifies this includes providers of services to older adults and people with disabilities, regardless of payor source.
- **Dissemination of quality profiles.** Amends § 256B.439, subd. 4. Modifies requirements related to the dissemination of quality profiles.
- **40 Informed choice.** Amends § 256B.49, subd. 12. Modifies a cross-reference.
- 41 Assessment and reassessment. Amends § 256B.49, subd. 14. Modifies a cross-reference.
- Reduce avoidable behavioral crisis emergency room, psychiatric inpatient hospitalizations, and commitments to institutions. Amends § 256B.49, by adding subd. 25. Requires certain HCBS recipients to receive a consultation with a mental health professional or a behavioral professional within 30 days of discharge. Lists duties of the mental health or behavioral professional. Defines "institution."
- 43 Community first services and supports. Creates § 256B.85.
 - **Subd. 1. Basis and scope.** Requires the commissioner to establish a MA state plan option for the provision of home and community-based personal assistance service and supports called "community first services and supports (CFSS)," upon federal approval. Specifies program features. Makes CFSS replace the PCA program upon federal approval.
 - **Subd. 2. Definitions.** Defines "activities of daily living," "agency-provider model," "behavior," "complex health-related needs," "community first services and supports," "community first services and supports service delivery plan," "critical activities of daily living," "dependency," "financial management services contractor or vendor," "flexible spending model," "health-related procedures and tasks," "instrumental activities of daily living," "legal representative," "medication

Section

assistance," "participant's representative," "person-centered planning process," "shared services," "support specialist," "support worker," and "wages and benefits."

- **Subd. 3. Eligibility.** Lists eligibility requirements in order to receive CFSS services. Specifies under what circumstances the commissioner must disenroll or exclude participants from the flexible spending model and transfer them to the agency-provider model. Specifies appeal rights.
- **Subd. 4. Eligibility for other services.** Prohibits selection of CFSS by a participant from restricting access to other medically necessary care and services furnished under the state plan MA benefit or other services available through alternative care.
- **Subd. 5.** Assessment requirements. Specifies requirements related to the assessment of functional needs. Allows a participant who is residing in a facility to be assessed and choose CFSS for the purpose of using CFSS to return to the community. Requires assessment results and recommendations and authorizations for CFSS to be determined and communicated in writing by the lead agency's certified assessor to the participant and the participant's chosen provider within 40 calendar days.
- **Subd. 6.** Community first services and support service delivery plan. Requires the CFSS service delivery plan to be developed, implemented, and evaluated through a person-centered planning process by the participant, or the participant's representative or legal representative who may be assisted by a support specialist. Requires the service delivery plan to reflect the services and supports that are important to the participant and for the participant to meet the needs assessed by the certified assessor and identified in the support plan. Requires the commissioner to establish the format and criteria for the CFSS service delivery plan. Lists requirements for the CFSS service delivery plan. Allows the amount of funds used each month to vary, but additional funds must not be provided above the annual service authorization amount unless a change in condition is assessed, authorized, and documented.
- **Subd. 7. Community first services and supports; covered services.** Lists the services and supports covered under CFSS.
- **Subd. 8. Determination of CFSS service methodology.** Requires all CFSS services to be authorized by the commissioner before services begin except for certain assessments. Requires authorizations to be completed within 30 days after receiving a complete request. Requires the amount of CFSS authorized to be based on the recipient's home care rating. Specifies how the home care rating is determined. Specifies the methodology for determining the number of minutes of CFSS to authorize.
- **Subd. 9. Noncovered services.** Lists services and supports that are not eligible for payment under CFSS.
- **Subd. 10. Provider qualifications and general requirements.** Lists requirements for agency-providers delivering services under the agency-provider model and financial management service contractors. Requires the commissioner to develop

Section

policies and procedures designed to ensure program integrity and fiscal accountability for goods and services provided under CFSS.

- **Subd. 11. Agency-provider model.** Limits the agency-provider model to the services provided by support workers and support specialists who are employed by an agency-provider. Requires the agency-provider to allow the participant to retain the ability to have a significant role in the selection and dismissal of the support workers for the delivery of the services and supports specified in the service delivery plan. Allows participants to use authorized units of CFSS services as needed within a service authorization that is not greater than 12 months. Allows participants to share services. Requires agency-providers to use a minimum of 72.5 percent of the revenue generated by MA payment for CFSS for support worker wages and benefits. Requires the agency-provider model to be used by individuals who have been restricted by the Minnesota restricted recipient program.
- **Subd. 12.** Requirements for initial enrollment of CFSS provider agencies. Lists the information and documentation CFSS provider agencies must provide to the commissioner at the time of enrollment as a CFSS provider agency. Specifies mandatory training requirements for certain CFSS provider agency employees and owners.
- **Subd. 13. Flexible spending model.** Allows participants to exercise more responsibility and control over services and supports under the flexible spending model. Lists functions of the flexible spending model. Lists service functions that must be provided by the financial management services contractor. Lists duties of the commissioner related to financial management services contractors. Specifies participants who are disenrolled from this model are transferred to the agency-provider model.
- **Subd. 14. Participant's responsibilities under flexible spending model.** Lists participant responsibilities under the flexible spending model.
- **Subd. 15. Documentation of support services provided.** Requires support services provided to a participant by a support worker to be documented daily by each support worker on a form approved by the commissioner. Allows documentation to be Web-based, electronic, or paper documentation. Requires completed forms to be submitted on a monthly basis. Requires the activity documentation to correspond to the written service delivery plan. Lists the criteria that must be included in the time sheet.
- **Subd. 16. Support workers requirements.** Lists requirements for support workers. Allows the commissioner to deny or terminate a support worker's provider enrollment under certain circumstances. Allows support workers to appeal in writing to the commissioner to contest the decision to terminate the support worker's provider enrollment.
- **Subd. 17. Support specialist requirements and payments.** Requires the commissioner to develop qualifications, scope of functions, and payment rates and

Version: Delete everything amendment

Section

service limits for a support specialist that may provide additional or specialized assistance necessary to plan, implement, arrange, augment, or evaluate services and supports.

- **Subd. 18. Service unit and budget allocation requirements.** Specifies how services are authorized for the agency-provider model and the flexible spending model. Specifies how maximum CFSS budget allocations are determined.
- **Subd. 19. Support system.** Requires the commissioner to provide information, consultation, training, and assistance to ensure the participant is able to manage the services and supports and budgets, if applicable. Requires the commissioner to provide assistance with the development of risk management agreements.
- **Subd. 20. Service-related rights.** Requires participants to be provided with adequate information, counseling, training, and assistance to ensure that the participant is able to choose and manage services, models, and budgets. Lists information that must be provided. Requires the commissioner to ensure that the participant has a copy of the most recent service delivery plan.
- **Subd. 21. Development and implementation council.** Requires the commissioner to establish a Development and Implementation Council. Requires the commissioner to consult and collaborate with this council when developing and implementing CFSS.
- **Subd. 22. Quality assurance and risk management system.** Requires the commissioner to establish quality assurance and risk management measures for use in developing and implementing CFSS. Requires the commissioner to provide ongoing technical assistance and resource and educational materials for CFSS participants. Requires performance assessment measures and ongoing monitoring of health and well-being to be identified in consultation with the Development and Implementation Council.
- **Subd. 23.** Commissioner's access. Requires the commissioner to be given immediate access without prior notice to documentation and records related to services provided and submission of claims for services provided when the commissioner is investigating a possible overpayment of MA funds. States that denying the commissioner access to records is cause for immediate suspension of payment and terminating the agency provider's enrollment or the financial management services contract.
- **Subd. 24. CFSS agency-providers; background studies.** Specifies background study requirements for CFSS agency providers.

Makes this section effective upon federal approval. Requires the commissioner of human services to notify the revisor of statutes when this occurs.

Supplementary service rate; exemptions. Amends § 256I.05, by adding subd. 1o. Prohibits counties from negotiating GRH supplementary service rates for certain individuals determined to be eligible for Housing Stability Services.

- **Reporting.** Amends § 626.557, subd. 4. Modifies maltreatment of vulnerable adults reporting requirements by allowing the common entry point to accept electronic reports submitted through a Web-based reporting system established by the commissioner. Makes this section effective July 1, 2014.
- Common entry point designation. Amends § 626.557, subd. 9. Removes language requiring each county board to designate a common entry point for reports of suspected maltreatment of vulnerable adults. Requires the commissioner to establish a common entry point effective July 1, 2014. Requires the common entry point to have access to the centralized database and to log reports into the database and immediately identify and locate prior reports of abuse, neglect, or exploitation. Specifies requirements for the operation of the common entry point. Requires the commissioners of human services and health to collaborate on the creation of a system for referring reports to the lead investigative agencies.
- **Education requirements.** Amends § 626.557, subd. 9e. Requires the commissioner of human services to conduct an outreach campaign to promote the common entry point for reporting vulnerable adult maltreatment.
- **Repealer.** (a) Repeals Minnesota Statutes, sections 245A.655 (federal grants to establish and maintain a single common entry point for reporting maltreatment of a vulnerable adult); and 256B.0917, subds. 1 (SAIL purpose, mission, goals and objectives), 2 (design of SAIL projects), 3 (local long-term care strategy), 4 (information, screening, and assessment function), 5 (service development and delivery), 7 (contract), 8 (living-at-home/block nurse program grant), 9 (state technical assistance center), 10 (implementation plan), 11 (SAIL evaluation and expansion), 12 (public awareness campaign), and 14 (essential community supports grants).
 - (b) Repeals Minnesota Statutes, section 256B.0911, subds. 4a, 4b, and 4c (preadmission screening activities related to nursing facility admissions; exemptions and emergency admissions; screening requirements) effective October 1, 2013.
- 49 Effective date; contingent systems modernization appropriation.
 - **Subd. 1. Definitions.** Defines "commissioner," "contingent systems modernization appropriation," "department," "plan," and "reform 2020."
 - **Subd. 2. Intent; effective dates generally.** Specifies the purpose of this section is to outline how this article and the contingent systems modernization appropriation are implemented if Reform 2020 is fully, partially, or incrementally approved or denied. Specifies the changes contained in this article generate savings that are contingent upon federal approval of Reform 2020. Requires the commissioner to follow the provisions of subdivisions 3 and 4 in order for sections 1 to 48 to be effective.
 - **Subd. 3. Federal approval.** Specifies the implementation of this article is contingent upon federal approval. Requires the commissioner to develop a plan for implementing the provisions in this article that receive federal approval as well as any that do not require federal approval. Lists the information that must be included in the plan. Allows the department to implement the plan upon approval of the

commissioner of management and budget. Requires the commissioner to notify the legislature of the plan and to make the plan available online.

Subd. 4. Disbursement; implementation. Requires the commissioner of management and budget to disburse certain appropriations to the commissioner of human services to allow for implementation of the approved plan and make necessary adjustments in the accounting system to reflect any modified funding levels. Requires the commissioner of management and budget to reflect the modified funding levels in the first fund balance following the approval of the plan.

Article 3: Payment Methodologies for Home and Community-Based Services

- **Payment methodologies.** Amends § 256B.4912, subd. 2. Adds a cross-reference to the payment methodology development statute.
- **Payment requirements.** Amends § 256B.4912, subd. 3. Modifies the list of items the payment methodology must accommodate.
- 3 Payment methodology development. Amends § 256B.4913.
 - Subd. 1. Research period and rates. Repeals this subdivision.
 - **Subd. 1a. Application.** Makes the payment methodologies apply to the CAC, CADI, DD, and BI home and community-based services (HCBS) waivers.
 - **Subd. 1b. Definitions.** Defines the terms "commissioner," "component value," "customized living tool," "disability waiver rates system," "median," "payment," "rates management system," and "recipient."
 - **Subd. 1c. Applicable services.** Lists the applicable services authorized under the state's home and community-based waivers for persons with disabilities.
 - **Subd. 2. Framework values.** Repeals this subdivision.
 - **Subd. 3. Data collection.** Repeals this subdivision.
 - **Subd. 4. Rate stabilization adjustment.** Repeals this subdivision.
 - **Subd. 4a. Rate stabilization adjustment.** Requires the commissioner to adjust individual reimbursement rates by no more than 1 percent per year effective January 1, 2014. Requires this adjustment to be made annually for three calendar years from the date of implementation. Applies this adjustment to services that are authorized in a recipient's service plan prior to January 1, 2014. Allows exemptions only when there is a significant change in the recipient's assessed needs which results in a service authorization change. Specifies limitations and management of exemptions. Makes this subdivision expire January 1, 2017.
 - **Subd. 5. Stakeholder consultation.** Modifies stakeholder consultation to allow for an existing stakeholder group and others to assist in the full implementation of the

new payment system. Removes obsolete language.

- **Subd. 6. Implementation.** Modifies implementation of the new payment methodology. Directs lead agencies to enter person-specific information into a rate management system developed by the commissioner. Requires all new service authorizations and all renewing individual service plans to use the disability waiver rates system beginning January 1, 2014. Requires data for all recipients to be entered into the disability waiver rates system by December 31, 2014. Requires the commissioner to make adjustments to lead agency waiver budgets per the federally approved HCBS waiver plans for people with disabilities beginning January 1, 2014.
- **Subd. 7. Uniform payment methodology.** Requires the commissioner to determine a uniform methodology to meet the individualized service plan for HCBS waiver plans for people with disabilities. Requires the commissioner to use component values to determine the service payment rate. Makes the customized living tool the payment methodology for customized living, 24-hour customized living, and residential care services. Requires revisions to be made to the customized living tool to reflect the services and activities unique to disability-related recipient needs.
- **Subd. 8. Payments for residential services.** Specifies how payments for residential support services are calculated.
- **Subd. 9. Payments for day programs.** Specifies how payments for services with day programs, including adult day care, day treatment and habilitation, prevocational services, and structured day services are calculated.
- **Subd. 10. Payments for unit-based with program services.** Specifies how payments for unit-based with program services, including behavior programming, housing access coordination, in-home family support, independent living skills training, hourly supported living services, and supported employment provided to an individual outside of any day or residential service plan are calculated.
- **Subd. 11. Payments for unit-based without program services.** Specifies how payments for unit-based without program services including night supervision, personal support, respite, and companion care provided to an individual outside of any day or residential service plan are calculated.
- **Subd. 12. Updating or changing payment values.** Requires the commissioner to develop and implement uniform procedures to refine terms and update or adjust values used to calculate payment rates. Requires the commissioner to use the values, terms, and procedures provided in this section for calendar year 2014. Requires the commissioner to work with stakeholders to assess efficacy of values and payment rates. Requires the commissioner to report to the legislature with proposed changes for component values and recommendations for revisions by February 15, 2014, February 15, 2015, February 15, 2017, February 15, 2019, and February 15, 2021. Requires reports to be provided on a four-year cycle after 2021. Requires the commissioner to provide a public notice detailing certain legislatively approved changes in October of each year beginning October 1, 2014. Requires the information in the notice to be effective January 1 of the following year.

Section

H.F. 1233

- **Subd. 13. Payment implementation.** Makes the payments established under the statewide payment methodology supersede rates established in county contracts for recipients receiving HCBS waiver services.
- **Subd. 14. Transportation.** Directs the commissioner to require the purchase of transportation services to be cost-effective and limited to market rates where the transportation mode is generally available and accessible.
- Subd. 15. Customization of rates for individuals. Requires direct care costs to be increased by an adjustment factor for persons determined to have higher needs based on being deaf or hard-of-hearing. Specifies the customization rate for deaf or hard-of-hearing persons.
- **Subd. 16. Exceptions.** Allows the commissioner to approve alternative payment rates for individuals with exceptional needs who are identified by lead agencies. Requires lead agencies to submit exceptions requests to the state. Specifies the information that must be included in an exception request. Requires the state to review requests and make determinations. Requires lead agencies to manage approved exceptions within the lead agencies' budgets.
- **Subd. 17. Budget neutrality adjustment.** Requires the new payment methodology to be budget neutral. If total forecasted spending under the new payment methodology is projected to be higher than under current law, gives the commissioner the authority to adjust rates by the percentage needed to adjust spending in each category to the same level as projected under current law.

Article 4: Strengthening Chemical and Mental Health Services

Overview

This article amends various chemical and mental health statutes. It allows the commissioner authority to spend funds from the state-operated services account for transition services for individuals leaving institutional settings. It allows medical assistance reimbursement for family psychoeducation services, mental health clinical coordination, and intensive treatment in foster care.

- 1 **Planning for pilot projects.** Amends § 245.4661, subd. 5. Excludes placement and establishment of IRTS facilities from the local mental health authority planning process. Requires the commissioner to identify the need for IRTS services and issue a request for proposal.
- 2 **Duties of commissioner.** Amends § 245.4661, subd. 6. Allows the commissioner to use funds from the state-operated services account for grants to providers to participate in mental health specialty treatment services.
- 3 **General provisions.** Amends § 245.4682, subd. 2. Strikes references to children's mental

H.F. 1233 Version: Delete everything amendment

Section

health in this section on reform of the mental health system.

- **State-operated services account.** Amends § 246.18, subd. 8. Adds paragraph (b) which allows the commissioner to access funds in the state-operated services account to provide transition services to individuals leaving institutional settings, to make grant funds available to providers participating in mental health specialty treatment services, and to fund operation of the IRTS program in Willmar.
- **Transfers.** Amends § 246.18, by adding subd. 9. Allows the commissioner to transfer state mental health grant funds to the state-operated services account for noncovered costs of a state-operated services IRTS provider.
- **6** Chemical health navigation program. Creates § 254B.14.
 - **Subd. 1. Establishment; purpose.** Paragraph (a) requires DHS to work with interested counties to enhance the delivery of chemical health services.

Paragraph (b) provides that the program must be tailored to meet the service needs of the client.

Paragraph (c) requires navigation programs to maintain current consolidated chemical dependency treatment fund (CCDTF) eligibility requirements, comply with rules related to licensure of chemical health treatment facilities and rules related to level of care determinations, and provide services in a manner that will not put federal funding at risk.

Subd. 2. Program implementation. Paragraph (a) provides that county participation is voluntary.

Paragraph (b) requires participating counties to enter into an agreement with the commissioner governing program operation. Requires each county to implement its program within 60 days of the final agreement.

- **Subd. 3. Notice of program discontinuation.** Allows either party to discontinue participation for any reason after 30 days' written notice to the other party. Provides that funds allocated to the county that remain unspent shall be transferred to the CCDTF.
- **Subd. 4. Eligibility for navigator program.** Lists the eligibility criteria a prospective client must meet in order to participate in a navigator program.
- **Subd. 5. Duties of the commissioner.** Paragraph (a) allows the commissioner to authorize navigator programs to use the CCDTF for nontreatment services.

Paragraph (b) allows participating counties to enter into contracts with providers to provide nontreatment services.

Paragraph (c) defines "nontreatment services."

Paragraph (d) limits state expenditures for services provided through the navigator programs to no more than the CCDTF expected share in the absence of the programs.

Section

Paragraph (e) provides that if the expenses incurred by a participating county are less than the forecast expenditures, the commissioner must deposit the unexpended funds in a separate account in the CCDTF for use by the county in the following year. If expenses exceed the forecast expenditures, then the county is responsible for the portion of costs for nontreatment services that were spent.

Paragraph (f) allows the commissioner to waive administrative rules, except the rule requiring a licensed treatment provider to provide chemical dependency treatment.

Paragraph (g) prohibits the commissioner from entering into any agreement that puts federal funding at risk.

Paragraph (f) requires the commissioner to provide participating counties with specified data at least once every six months so that the counties can assess and measure outcomes.

- **Subd. 6. Duties of the county board.** Requires the county board in participating counties to administer the program consistent with this section, ensure that no one who is otherwise eligible for chemical dependency services is denied services, and provide the commissioner with information as negotiated in the navigator agreement.
- **Subd. 7. Managed care.** Paragraph (a) excludes navigator participants from mandatory enrollment in managed care.

Paragraph (b) instructs the commissioner to seek federal waivers to allow managed care organizations to use capitated funds to access nontreatment services.

Subd. 8. Report. Requires the commissioner to provide an annual report on navigator program outcomes to the legislative committees with jurisdiction over chemical health.

Effective date. Provides an immediate effective date.

- Home and community-based services transition grants. Creates § 256.478. Requires the commissioner to make available home and community-based services transition grants to serve individuals who do not meet MA eligibility criteria, but who otherwise meet the criteria established for people being discharged from Anoka Metro Regional Treatment Center or the Minnesota Security Hospital in St. Peter. Authorizes the commissioner to transfer funds between certain accounts.
- **Family psychoeducation services.** Amends § 256B.0625, by adding subd. 61. Provides that family psychoeducation services as a component of an individual treatment plan for a child up to age 21 that is provided by a licensed mental health professional is covered by medical assistance. Defines "family psychoeducation services." Provides that this section is effective July 1, 2013, or upon federal approval, whichever is later.
- Mental health clinical care coordination. Amends § 256B.0625, by adding subd. 62. Provides that mental health clinical care coordination as a component of an individual treatment plan for a child up to age 21 and provided by a licensed mental health professional is a covered medical assistance service. Defines "clinical care coordination." Provides an

effective date of July 1, 2013, or upon federal approval, whichever is later.

- Waiver allocations for transition populations. Amends § 256B.092, by adding subd. 13. Requires the commissioner to make available additional DD waiver allocations and additional necessary resources to assure timely discharge from the Anoka Metro Regional Treatment Center and the Minnesota Security Hospital in St. Peter for people who meet specified criteria. Specifies additional waiver allocations must meet federal cost-effectiveness requirements and any corporate foster care home developed under this subdivision must be considered an exception within the foster care moratorium.
- 11 Intensive treatment in foster care. Amends § 256B.0946.
 - **Subd. 1. Required covered service components.** Requires, for eligible children with mental illness who reside in family foster care settings, medical assistance to cover specified intensive treatment services: psychotherapy, crisis assistance, psychoeducation services, clinical care consultation, and certain service delivery payment requirements.
 - **Subd. 1a. Definitions.** Defines the terms "clinical care consultation," "clinical supervision," "clinical supervisor," "clinical trainee," "crisis assistance," "culturally appropriate," "culture," "diagnostic assessment," "family," "foster care," "foster family setting," "individual treatment plan," "mental health practitioner," "mental health professional," "mental illness," "parent," "psychoeducation services," "psychotherapy," and "team consultation and treatment planning."
 - **Subd. 2. Determination of client eligibility.** Defines an eligible recipient as an individual, from birth through age 20, who is placed in a licensed foster home and has received a diagnostic assessment and an evaluation of level of care needed.
 - **Subd. 3. Eligible mental health services providers.** Requires providers to be certified by the state, have a service provision contract with a county board or reservation tribal council, and demonstrate the ability to provide services.
 - **Subd. 4. Service delivery payment requirements.** Lists the service delivery requirements a provider must meet in order to be reimbursed for services.
 - **Subd. 5. Service authorization.** No changes.
 - **Subd. 6. Excluded services.** Paragraph (a) lists the services that are not covered by medical assistance as components of intensive treatment in foster care. Permits these services to be billed separately.

Paragraph (b) lists the services not eligible for medical assistance reimbursement while the child is receiving intensive treatment in foster care.

- **Subd. 7. Medical assistance payment and rate setting.** Requires the commissioner to establish a single per-client encounter rate for intensive treatment in foster care services.
- Waiver allocations for transition populations. Amends § 256B.49, by adding subd. 24. Requires the commissioner to make available additional waiver allocations and additional

Section

necessary resources to assure timely discharge from the Anoka Metro Regional Treatment Center and the Minnesota Security Hospital in St. Peter for people who meet specified criteria. Specifies additional waiver allocations must meet federal cost-effectiveness requirements and any corporate foster care home developed under this subdivision must be considered an exception within the foster care moratorium.

Reimbursement for mental health services. Amends § 256B.761. Adjusts payment rates to improve access to adult rehabilitative mental health services and related mental health support services.

Article 5: Department of Human Services Program Integrity

Overview

This article amends statutes related to the commissioner's access to the predatory offender registry and criminal history information from the Minnesota court information system for purposes of background studies. It also authorizes the commissioner to undertake various fraud prevention and investigation activities.

- 1 Use of data. Amends § 243.166, subd. 7. Allows the commissioner of human services to have access to the predatory offender registry for purposes of completing background studies under chapter 245C.
- Agency background studies. Amends § 245C.04, by adding subd. 4a. Paragraph (a) requires the commissioner to develop an electronic system to access new criminal history information from the Minnesota court information system. The commissioner must limit access to review only information that related to individuals who have been the subject of a background study and are affiliated with the agency that initiated the study.

Paragraph (b) requires the commissioner to develop an online system for agencies that initiate background studies to access and maintain records of background studies initiated by that agency. Requires that agencies notify the commissioner when an individual is no longer affiliated with the agency.

- Background studies conducted by Department of Human Services. Amends § 245C.08, subd. 1. Requires the commissioner to review information from the predatory offender registry when performing a background study. Allows the commissioner to review criminal history information from the Minnesota court information system that relates to individuals who have already been studied under this chapter and remain affiliated with the agency that initiated the background study.
- **Provider enrollment.** Amends § 256B.04, subd. 21. Requires the commissioner to publish a list of provider types designated "limited," "moderate," or "high risk" based on federal criteria. Requires suppliers of durable medical equipment, prosthetics, orthotics, and supplies operating in Minnesota to name the department, in addition to CMS, as an oblige on surety bonds. Allows the department o require a provider to purchase a performance bond as a condition of enrollment, reenrollment, reinstatement, or continued enrollment under specified circumstances.

Provides an immediate effective date.

Section

Application fee. Amends § 256B.04, by adding subd. 22. Authorizes the commissioner to collect and retain federally required application fees for screening and enrollment of medical assistance providers. Imposes an application fee of \$532 for calendar year 2013 and provides the fee calculation for the following years.

Provides an immediate effective date.

- **Grounds for sanctions against vendors.** Amends § 256B.064, subd. 1a. Adds that the commissioner may impose sanctions against a vendor of medical care for failure to correct errors in the maintenance of records for which a fine was imposed or after a warning was issued by the commissioner.
- **Sanctions available.** Amends § 256B.064, subd. 1b. Allows the commissioner to impose a fine. Requires the commissioner, when imposing sanctions under this section, to consider the certain factors.
- **8 Imposition of monetary recovery and sanctions.** Amends § 256B.064, subd. 2. Adds paragraph (f) which allows the commissioner to impose a fine on a vendor for incomplete documentation in a health service or financial record.

Adds paragraph (g) which requires the vendor to pay the fine on or before the payment date specified. If payment is not made, allows the commissioner to withhold or reduce payments to recover the amount of the fine.

9 Requirements for initial enrollment of personal care assistance provider agencies.

Amends § 256B.0659, subd. 21. Increase surety bond coverage amount for PCA provider agencies. Requires annual renewal of the bond.

Provides an immediate effective date.

Article 6: Health Care

Overview

This article contains provisions related to the Medical Assistance (MA) program, emergency medical assistance, and health care provider surcharges. The article modifies MA payments rates and covered services, allows a Hennepin County demonstration project to waive copayments and include additional enrollees, increases the amount of MA capitation payments transferred to MERC, and makes other changes related to MA. The article also increases the surcharge on hospital net patient revenues and continues emergency medical assistance coverage of dialysis and chemotherapy and related services.

Hospital surcharge. Amends § 256.9657, subd. 2. Effective July 1, 2013, increases the surcharge for nongovernment-owned hospitals to 2.63 percent of net patient revenues, excluding net Medicare revenues (the current surcharge is 1.56 percent).

- **Federal requirements.** Amends § 256.9685, subd. 2. Allows the commissioner to restrospectively rates and payments to avoid reduced federal financial participation resulting from rates and payments in excess of the Medicare upper payment limit. Also specifies the rate reduction procedure for the commissioner to follow if rates and payments are determined to be in excess of the upper payment limit for the nongovernmental-owned limit category.
- Payments. Amends § 256.969, subd. 3a. Increases MA payment rates for nongovernment-owned hospitals by 30 percent, for inpatient hospital admissions occurring on or after July 1, 2013. Provides that prepaid health plan rates shall not be adjusted to reflect these increases. Also strikes obsolete references to general assistance medical care.
- Persons detained by law. Amends § 256B.055, subdivision 14. Provides that an inmate of a public institution (such as a correctional facility), who meets MA eligibility criteria, is eligible for MA coverage of services received while an inpatient in a medical institution. Under current law, inmates of public institutions are not eligible for MA. States that security issues related to the inpatient treatment of an inmate are the responsibility of the entity with jurisdiction over the inmate. Requires this entity to pay the nonfederal share of the cost of services. Provides a January 1, 2014 effective date.
- Citizenship requirements. Amends § 256B.06, subd. 4. Classifies the following as services for the treatment of emergency medical conditions, and therefore eligible for coverage under emergency medical assistance: (1) dialysis services provided in a hospital or freestanding dialysis facility; and (2) surgery and the administration of chemotherapy, radiation, and related services to treat cancer, if the recipient has cancer that is not in remission and these services are required. (Under current law, these services are covered for the period May 1, 2013 through June 30, 2013.) Provides an effective date of July 1, 2013.
- **Dental services.** Amends § 256B.0625, subd. 9. Expands MA dental coverage for adults, to include:
 - (1) house calls or extended care facility calls for on-site delivery of covered services;
 - (2) behavioral management, when additional staff time is required and sedation is not used;
 - (3) oral or IV sedation, if the covered service cannot be performed safely without it or would need to be performed under general anesthesia in a hospital or surgical center; and
 - (4) prophylaxis, in accordance with an individualized treatment plan, but no more than four times per year.
- Payment rates. Amends § 256B.0625, subd. 13e. The amendment to paragraph (a) requires the actual acquisition cost of a drug acquired through the federal 340B Drug Pricing Program to be estimated at wholesale acquisition cost minus 44 percent, for purposes of MA payment.

The amendment to paragraph (d) allows payment for drugs administered in an outpatient setting to be at the lower of the specialty pharmacy rate or the maximum allowable cost (in addition to the lower of the usual and customary cost or 106 percent of the average sales price, as under current law). Requires the commissioner to discount the payment rate for drugs obtained through the federal 340B Drug Discount Program by 33 percent. Requires

payment for drugs administered in an outpatient setting to be made to the administering facility or the practitioner. Provides that a retail or specialty pharmacy dispensing a drug for administration in an outpatient setting is not eligible for direct reimbursement.

Provides an effective date of January 1, 2014.

- **Medical supplies and equipment.** Amends § 256B.0625, subd. 31. States that electronic tablets may be considered durable medical equipment if it will be used as an augmentative and alternative communication system and other requirements are met.
- Preferred diabetic testing supply program. Amends § 256B.0625, by adding subd. 31b. Requires the commissioner to adopt and implement a point of sale preferred diabetic testing supply program by January 1, 2014. Allows the commissioner to contract with a vendor to participate in a preferred diabetic testing supply list and supplemental rebate program and specifies related requirements. Provides that supplies not on the preferred supply list may be subject to prior authorization. Requires the commissioner to seek any federal waivers and approvals necessary for implementation.
- 10 Childhood immunizations. Amends § 256B.0625, subd. 39. Strikes language that specifies how much MA will pay per does for the administration of vaccine to children.
- Early and periodic screening, diagnosis, and treatment services. Amends § 256B.0625, subd. 58. Provides that payment for a complete EPSDT screening shall not include charges for vaccines that are available at no cost to the provider.
- Cost-sharing. Amends § 256B.0631, subd. 1. Directs the commissioner of human services, as part of the contracting process for the pilot project to test alternative and innovative health care delivery networks, to allow the Hennepin County pilot program to waive copayments. Provides that the value of the copayments shall not be included in the capitation payment to the managed care organization participating in the project.
- Hennepin and Ramsey Counties pilot program. Amends § 256B.0756. Modifies the criteria governing a pilot program operated by Hennepin County to test alternative and innovative health care delivery networks, by:
 - (1) allowing the program to serve MA enrollees beyond those who are adults without children:
 - (2) removing the enrollment cap of 7,000 enrollees; and
 - (3) striking language that allows the county to transfer funds necessary to support the nonfederal share of payments for integrated health care delivery networks.

This section also allows the commissioner to identify individuals to be enrolled in the pilot program, based on Hennepin County zip code or whether individuals would benefit from an integrated health care delivery network.

Section

- **Medical education and research fund.** Amends § 256B.69, subd. 5c. For FY 2014 and thereafter, increases from \$36,744,000 to \$49,552,000 the amount transferred from MA capitation payments to the medical education and research fund.
- Payment for certain primary care services and immunization administration. Amends § 256B.76, by adding subd. 7. Requires payment for certain primary care services and immunization administration services provided January 1, 2013 through December 331, 2014, to be made in accordance with § 1902(a)(13) of the Social Security Act (this provision requires primary care services to be paid at a rate not less than Medicare rates for 2013 and 2014).
- Reimbursement for family planning services. Amends § 256B.764. Effective July 1, 2013, increases payment rates for family planning services provided by a community clinic by 20 percent. Requires capitation rates to managed care and county-based purchasing plans to be adjusted to reflect this increase, and requires plans to pass on the full amount of the increase to community clinics. Provides a July 1, 2013 effective date.

Article 7: Continuing Care

Overview

This article makes changes to continuing care programs including the corporate foster care moratorium, long-term care consultation services, home and community-based services waivers, and nursing facilities. This article also includes provisions to create a new autism early intensive intervention benefit, and directs the commissioner to submit certain requests and waiver amendments to the federal government.

- Licensing moratorium. Amends § 245A.03, subd. 7. Modifies the exceptions to the corporate foster care moratorium. Removes obsolete language. Authorizes the commissioner to manage statewide capacity, including adjusting the capacity available to each county, and adjusting statewide available capacity to meet statewide needs. Changes the annual due date of certain information regarding overall capacity the commissioner is required to provide. Modifies exemptions from decreased licensed capacity for certain residential settings.
- **ICF/DD license surcharge.** Amends § 256.9657, subd. 3a. Modifies the ICF/DD license surcharge effective July 1, 2013.
- **Preadmission screening of individuals under 65 years of age.** Amends § 256B.0911, subd. 4d. Specifies payments for individuals under age 65 shall be made until September 30, 2013.
- **Payment for long-term care consultation services.** Amends § 256B.0911, subd. 6. Specifies payment for long-term care consultation face-to-face assessments shall be made until September 30, 2013. Specifies the alternative payment methodology for long-term care consultation services is effective October 1, 2013. Requires the alternative payment

methodology to include the use of appropriate time studies and the state financing of nonfederal share as part of the state's MA program.

- Excess spending. Amends § 256B.0916, by adding subd. 11. Makes county and tribal agencies responsible for spending in excess of the home and community-based waiver allocation made by the commissioner. Requires agencies that spend in excess of the allocation made by the commissioner to submit a corrective action plan to the commissioner. Specifies the information that must be included in the plan.
- **Residential support services.** Amends § 256B.092, subd. 11. Corrects a cross-reference.
- Waivered services statewide priorities. Amends § 256B.092, subd. 12. Modifies the statewide priorities for the developmental disabilities home and community-based waiver. Authorizes the commissioner to transfer funds between counties, groups of counties, and tribes to accommodate statewide priorities and resource needs while accounting for a necessary base level reserve amount for each county, group of counties, or tribe. Removes obsolete language.
- **8 Autism early intensive intervention benefit.** Creates § 256B.0949.
 - **Subd. 1. Purpose.** Creates a new benefit under the MA state plan to provide early intensive intervention to a child with an ASD diagnosis. Specifies the coverage that must be provided under this benefit. Makes this option available upon federal approval, but not earlier than March 1, 2014.
 - **Subd. 2. Definitions.** Defines the terms "autism spectrum disorder diagnosis," "child," "early intensive intervention benefit," "commissioner," and "generalizable."
 - **Subd. 3. Initial eligibility.** Specifies eligibility criteria for the autism early intensive intervention benefit.
 - **Subd. 4. Treatment plan.** Specifies requirements related to a child's treatment plan.
 - **Subd. 5. Ongoing eligibility.** Requires a child receiving this benefit to receive an independent progress evaluation by a licensed mental health professional every six months, or more frequently as determined by the commissioner, to determine if progress is being made toward goals contained in the treatment plan. Specifies the information to be included in the progress evaluation, allows the observation component of the progress evaluation to be performed by a child's special education teacher, and requires progress evaluations to be submitted to the commissioner in a manner determined by the commissioner. Makes children who continue to achieve treatment plan goals eligible to continue receiving this benefit.
 - **Subd. 6. Refining the benefit with stakeholders.** Requires the commissioner to develop the implementation details of the benefit in consultation with stakeholders and to consider recommendations of specified councils and task forces. Requires the commissioner to release the implementation details for a 30-day public comment period prior to submission to the federal government for approval. Lists items that

Version: Delete everything amendment

Section

must be included in the implementation details.

- **Subd. 7. Revision of treatment options.** Allows the commissioner to revise covered treatment options as needed to ensure consistency with evolving evidence.
- **Subd. 8. Coordination between agencies.** Requires the commissioners of human services and education to coordinate diagnostic and educational assessment, service delivery, and progress evaluations across health and education sectors.
- Alternate rates for nursing facilities. Amends § 256B.434, subd. 4. Suspends the nursing facility property-related payment rate adjustments for rate years beginning on October 1, 2013, October 1, 2014, October 1, 2015, and October 1, 2016.
- Nursing facility rate adjustments beginning October 1, 2013. Amends § 256B.434, by adding subd. 19a. Requires the commissioner to provide a 2 percent operating payment rate increase to nursing facilities for the rate year beginning October 1, 2013. Requires nursing facilities to use 75 percent of the money resulting from the rate adjustments for increases in compensation-related costs for employees directly employed by the nursing facility on or after the effective date of the rate adjustment, with certain exceptions. Specifies the items included in compensation-related costs. Specifies the process for nursing facilities to apply for the rate adjustments. Requires the commissioner to ensure that cost increases comply with certain requirements. Specifies how the increases shall be applied to operating payment rates in effect on September 30, 2013.
- Planned closure rate adjustment. Amends § 256B.437, subd. 6. Reinstates planned closure rate adjustments beginning July 1, 2013, and makes the rate adjustment part of a facility's external fixed payment rate (previously it was part of a facility's total operating payment rate).
- **External fixed costs.** Amends § 256B.441, subd. 13. Modifies the definition of "external fixed costs."
- Calculation of payment rate for external fixed costs. Amends § 256B.441, subd. 53. Modifies the calculation of payment rates for external fixed costs by removing costs for long-term care consultations beginning October 1, 2013.
- Waivered services statewide priorities. Amends § 256B.49, subd. 11a. Allows the commissioner to transfer funds between counties, groups of counties, and tribes to accommodate statewide priorities and resource needs while accounting for a necessary base level reserve amount for each county, group of counties, and tribe. Removes obsolete language.
- Coordinated service and support plan; comprehensive transitional service plan; maintenance service plan. Amends § 256B.49, subd. 15. Updates a cross-reference.

- Excess allocations. Amends § 256B.49, by adding subd. 25. Makes county and tribal agencies responsible for spending in excess of the home and community-based waiver allocation made by the commissioner. Requires agencies that spend in excess of the allocation made by the commissioner to submit a corrective action plan to the commissioner. Specifies the information that must be included in the plan.
- Home and community-based settings for people with disabilities. Amends § 256B.492. Modifies language limiting the number of individuals receiving home and community-based services that may live in the same community living setting.
- **Planned closure process needs determination.** Amends § 256B.493, subd. 2. Corrects cross-references.
- Rate increase effective June 1, 2013. Amends § 256B.5012, by adding subd. 14. Requires the commissioner to increase the total operating payment rate for each ICF/DD facility by \$7.81 per day. Prohibits the increase from being subject to any annual percentage increase. Makes this section effective June 1, 2013.
- **ICF/DD rate increases effective July 1, 2013.** Amends § 256B.5012, by adding subdivision 15. Increases operating payment rates for ICFs/DD by 2 percent for the rate period beginning on July 1, 2013. Specifies the manner in which the commissioner must apply the rate increase.
- Forecasted programs. Amends Laws 2011, First Special Session, ch. 9, art. 10, § 3, subd. 3, as amended by Laws 2012, ch. 247, art. 4, § 43. Specifies that a provision reducing rates for congregate living for individuals with lower needs does not apply to individuals whose primary diagnosis is mental illness and who are living in foster care settings where the license holder is also (1) a provider of assertive community treatment or adult rehabilitative mental health services, (2) a certified mental health center or a certified mental health clinic, or (3) a provider of intensive residential treatment services. Makes this section effective August 1, 2013.
- Recommendations for concentration limits on home and community-based settings.

 Requires the commissioner to consult with specified stakeholders to develop recommendations on concentration limits on HCBS settings. Requires the recommendations to be consistent with Minnesota's Olmstead Plan. Requires the recommendations and proposed legislation to be submitted to the legislative committees with jurisdiction over health and human services policy and finance by February 1, 2014.
- Provider rate and grant increases effective July 1, 2013. Increases reimbursement rates, grants, allocations, individual limits, and rate limits, as applicable, by 2 percent on July 1, 2013, for a variety of continuing care providers. Requires managed care plans receiving state payments for the services in this section to include these increases in their payments to providers. Requires counties to increase the budget for each recipient of consumer-directed community supports by 2 percent on July 1, 2013.

Version: Delete everything amendment

Section

Repealer. Repeals Minnesota Statutes, section 256B.5012, subd. 13 (ICF/DD rate decrease effective July 1, 2013) and Laws 2011, First Special Session, ch. 9, art. 7, section 54, as amended by Laws 2012, ch. 247, art. 4, section 42, and Laws 2012, ch. 298, section 3 (contingency provider rate and grant reductions).

DRAFT

Article 8: Waiver Provider Standards

Overview

This article modifies human services licensing provisions and home and community-based services standards.

- **Health care facility.** Amends §145C.01, subd. 7. Adds community residential settings licensed under chapter 245D to the definition of "health care facility."
- **Health care facility; notice of status.** Amends §243.166. Strikes the word "developmental."
- Positive support strategies and emergency manual restraint; licensed facilities and programs. Creates §245.8251.
 - **Subd. 1. Rules.** Requires the commissioner to adopt rules on the use of positive support, safety interventions, and emergency use of manual restraints in programs licensed under chapter 245D.
 - **Subd. 2. Data collection.** Requires the commissioner to consult with stakeholders and collect data on the use of aversive and controlled procedures from providers who will be licensed under chapter 245D.
- **Nonresidential program.** Amends §245A.02, subd. 10. Strikes obsolete language from the definition of nonresidential program. Adds language and cross reference to chapter 245D.
- **Residential program.** Amends §245A.02, subd. 14. Strikes obsolete language from the definition of residential program. Adds language and cross reference to chapter 245D.
- **Licensing moratorium.** Amends §245A.03, subd. 7. Adds community residential setting licenses to the list of licenses subject to the moratorium. Adds references to community residential settings.
- **Excluded providers seeking licensure.** Amends §245A.03, subd. 8. Corrects a cross reference.
- **8 Implementation.** Amends §245A.042, subd. 3. Corrects a cross reference. Clarifies language related to the commissioner's authority to issue correction orders.
- **9 Consolidated contested case hearings.** Amends §245A.08, subd. 2a. Requires the county attorney to defend the commissioner's orders for sanctions in consolidated contested case hearings involving community residential settings.

- **10 Fees.** Amends §245A.10.
 - **Subd. 1. Application or license fee required; programs exempt from fee.** States that no application or license fee will be charged for community residential settings, except as provided in subdivision 2.
 - **Subd. 2. County fees for background studies and licensing inspections.** Allows a county agency to charge a fee to recover the actual cost of inspection for licensing the physical plant of a community residential setting.
 - **Subd. 3.** Application fee for initial license or certification. Requires an applicant for an initial day services facility license to submit a \$250 application fee with each new license. Allows applicants for a license to provide HCBS waiver services to persons with disabilities or to persons age 65 and older to submit an application to provide services statewide. Adds that initial application fees in this subdivision do not include the temporary license surcharge under section 16E.22. Strikes obsolete language.
 - **Subd. 4. License or certification fee for certain programs.** Strikes obsolete language and fees. Establishes new license fees fro programs licensed under chapter 245D.

Effective date. Makes this section effective July 1, 2013.

- Adult foster care and community residential setting license capacity. Amends §245A.11, subd. 2a. Makes technical changes so that this section applies to community residential settings.
- Adult foster care; variance for alternate overnight supervision. Amends §245A.11, subd. 7. Requires transfer of a variance granted under this subdivision when an adult foster home license holder converts to a community residential setting license under chapter 245D.
- Alternate overnight supervision technology; adult foster care and community residential setting licenses. Amends §245A.11, subd. 7a. Updates terminology and strikes obsolete language.
- **Adult foster care data privacy and security.** Amends §245A.11, subd. 7b. Updates terminology and strikes obsolete language.
- Community residential setting license. Amends §245A.11, subd. 8. Strikes references to child foster care and to residential support services. Adds a cross reference to the definition of community residential setting.
- **Delegation of authority to agencies.** Amends §245A.16, subd. 1. Prohibits county agencies from granting variances for community residential setting licenses.
- **Definitions.** Amends § 245D.02. Modifies definitions in the home and community-based services standards by adding definitions of "authorized representative," "certification," "community residential setting," "coordinated service and support plan," "coordinated

Section

service and support plan addendum," "corporate foster care," "cultural competence or culturally competent," "day services facility," "direct support staff or staff," "emergency use of manual restraint," "expanded support team," "family foster care," "intermediate care facility for persons with developmental disabilities or ICF/DD," "least restrictive alternative," "most integrated setting," "outcome," "physician," "self-determination," "semi-independent living services," "supervised living facility," "supervision," "time out," and "treatment." Removes definitions for "medication administration," "medication assistance," "medication management," "service plan," and "unit of government." Modifies definitions of "emergency," "home and community-based services," "incident," "legal representative," "mental health crisis intervention team," "prescriber," "prescription drug," "seclusion," and "service." Makes this section effective January 1, 2014.

- **18 Applicability and effect.** Amends § 245D.03.
 - **Subd. 1. Applicability.** Modifies the list of services governed by the licensing standards in this chapter.
 - **Subd. 2. Relationship to other standards governing home and community-based services.** Modifies standards related to foster care services. Exempts license holders providing (1) services in supervised living facilities, (2) residential services to person in an ICF/DD, and (3) homemaker services from certain standards. Specifies nothing in this chapter prohibits a license holder from concurrently serving persons without disabilities or people who are or are not age 65 or older, provided all relevant standards are met.
 - **Subd. 3. Variance.** Corrects a cross-reference.
 - Subd. 4. License holders with multiple 245D licenses. Repeals this subdivision.
 - **Subd. 4. Program certification.** Allows an applicant or license holder to apply for program certification.

Makes this section effective January 1, 2014.

- **Service recipient rights.** Amends § 245D.04.
 - Subd. 1. License holder responsibility for individual rights of persons served by the program. Modifies terminology.
 - **Subd. 2. Service-related rights.** Modifies a person's service-related rights.
 - **Subd. 3. Protection-related rights.** Modifies a person's protection-related rights.

- **Health services.** Amends § 245D.05.
 - **Subd. 1. Health needs.** Modifies terminology and phrasing related to license holder responsibilities for meeting health service needs of recipients.
 - **Subd. 1a.** Medication setup. Defines "medication setup" and lists information the

license holder must document in the person's medication administration record.

- **Subd. 1b. Medication assistance.** Defines "medication assistance" and specifies requirements that must be met by the license holder when staff provides medication assistance.
- **Subd. 2. Medication administration.** Lists medication administration procedures that must be implemented by the license holder to ensure a person takes medications and treatments as prescribed. Modifies requirements that must be met before administering medication or treatment. Modifies the list of information that must be included in the person's medication administration record.
 - **Subd. 3. Medication assistance.** Repeals this subdivision.
- **Subd. 4. Reviewing and reporting medication and treatment issues.** Modifies provisions related to reviewing and reporting medication and treatment issues.
 - **Subd. 5. Injectable medications.** No changes.

Makes this section effective January 1, 2014.

- 21 Psychotropic medication use and monitoring. Creates § 245D.051.
 - **Subd. 1. Conditions for psychotropic medication administration.** Lists requirements that must be met when the license holder is assigned responsibility for administering a person's psychotropic medication. Defines "target symptom."
 - **Subd. 2. Refusal to authorize psychotropic medication.** Specifies license holder duties when the person or the person's legal representative refuses to authorize the administration of a psychotropic medication ordered by the prescriber.

- **Protection standards.** Amends § 245D.06.
 - **Subd. 1. Incident response and reporting.** Makes technical and conforming changes. Specifies when incident reviews must be conducted and what must be included in the review. Requires license holders to report the emergency use of manual restraint of a person to DHS within 24 hours of the occurrence. Specifies reporting requirements when a death or serious injury occurs at an ICF/DD.
 - **Subd. 2. Environment and safety.** Modifies the list of duties license holders must perform related to environment and safety.
 - **Subd. 3.** Compliance with fire and safety codes. Repeals this subdivision.
 - **Subd. 4. Funds and property.** Specifies when authorization must be received and other license holder duties when the license holder assists a person with the safekeeping of funds or other property. Removes language prohibiting license holders from being appointed a guardian or conservator of a person receiving services from the

license holder. Specifies license holder duties upon the transfer or death of a person.

- **Subd. 5. Prohibitions.** Prohibits license holders from using chemical restraints, mechanical restraint practices, manual restraints, time out, or seclusion as a substitute for adequate staffing, a behavioral or therapeutic program to reduce or eliminate behavior, as punishment, or for staff convenience. Defines "chemical restraint" and "mechanical restraint practice." Makes this section effective January 1, 2014.
- **Emergency use of manual restraints.** Creates § 245D.061.
 - **Subd. 1. Standards for emergency use of manual restraints.** Specifies standards for emergency use of manual restraints.
 - **Subd. 2. Definitions.** Defines "manual restraint" and "mechanical restraint."
 - **Subd. 3. Conditions for emergency use of manual restraint.** Lists the conditions that must be met for emergency use of manual restraint.
 - **Subd. 4. Permitted instructional techniques and therapeutic conduct.** Requires physical contact or instructional techniques to use the least restrictive alternative possible to meet the needs of the person and allows them to be used under specified conditions. Specifies when restraint may be use as therapeutic conduct. Requires a plan to be developed for using restraint as therapeutic conduct.
 - **Subd. 5. Restrictions when implementing emergency use of manual restraint.** Lists prohibitions regarding emergency use of manual restraint procedures.
 - **Subd. 6. Monitoring emergency use of manual restraint.** Requires the license holder to monitor a person's health and safety during an emergency use of manual restraint. Requires the license holder to complete a monitoring form for each incident involving the emergency use of manual restraint.
 - **Subd. 7. Reporting emergency use of manual restraint incident.** Requires the staff person who implemented the emergency use of a manual restraint to report each incident involving the emergency use of manual restraint. Specifies the information that must be included in the incident report. Requires each single incident of emergency use of manual restraint to be reported separately.
 - **Subd. 8. Internal review of emergency use of manual restraint.** Requires license holders to complete an internal review of each report of emergency use of manual restraint, lists the information that must be evaluated as part of the review, and requires a corrective action plan to be developed and implemented if any lapses in performance are found.
 - **Subd. 9. Expanded support team review.** Requires license holders to consult with the expanded support team following the emergency use of manual restraint.
 - **Subd. 10.** Emergency use of manual restraints policy and procedures. Requires license holders to develop, document, and implement a policy and procedures for the emergency use of manual restraints. Specifies the information that must be

Section

included in the policy and procedures.

Makes this section effective January 1, 2014.

- **Service planning and delivery.** Amends § 245D.07.
 - **Subd. 1. Provision of services.** Makes technical changes to phrasing.
 - **Subd. 1a. Person-centered planning and service delivery.** Requires the license holder to provide services in response to the person's identified needs and preferences as specified in the coordinated service and support plan, the plan addendum, and with provider standards. Lists the principles that must guide provision of services.
 - **Subd. 2. Service planning; requirements for basic support services.** Specifies timelines for developing the coordinated service and support plan addendum based on the coordinated service and support plan. Makes conforming changes.
 - **Subd. 3. Reports.** No changes.

Makes this section effective January 1, 2014.

- 25 Service planning and delivery; intensive support services. Creates § 245D.071.
 - **Subd. 1. Requirements for intensive support services.** Specifies the requirements license holders providing intensive support services must meet.
 - **Subd. 2. Abuse prevention.** Requires license holders to develop, document, and implement an abuse prevention plan prior to or upon initiating services.
 - **Subd. 3. Assessment and initial service planning.** Specifies the timelines and processes a license holder must follow for developing the coordinated service and support plan addendum for a person.
 - **Subd. 4. Service outcomes and supports.** Requires service outcomes and supports to be developed by the license holder and included in the coordinated service and support plan addendum. Requires the license holder to document the supports and lists the information that must be included in the documentation. Requires the license holder to obtain dated signatures from the person or the person's legal representative and case manager to document completion and approval of the plan addendum.
 - **Subd. 5. Progress reviews.** Specifies the process for progress reviews.

- **Program coordination, evaluation, and oversight.** Creates § 245D.081.
 - **Subd. 1. Program coordination and evaluation.** Lists license holder responsibilities related to program coordination and evaluation.
 - **Subd. 2. Coordination and evaluation of individual service delivery.** Requires delivery and evaluation of services provided by the license holder to be coordinated by

a designated staff person. Lists activities for which the designated coordinator must provide supervision, support, and evaluation. Lists education and training requirements for designated coordinators.

Subd. 3. Program management and oversight. Requires the license holder to designate a managerial staff person or persons to provide program management and oversight of the services provided by the license holder. Lists the responsibilities of the designated manager. Specifies the education, training, and supervisory experience necessary to be a designated manager.

Makes this section effective January 1, 2014.

- 27 Staffing standards. Amends § 245D.09.
 - **Subd. 1. Staffing requirements.** Modifies staffing requirements.
 - **Subd. 2. Supervision of staff having direct contact.** Makes conforming changes by modifying terminology.
 - **Subd. 3. Staff qualifications.** Makes conforming changes by modifying terminology and modifies staff qualifications.
 - **Subd. 4. Orientation to program requirements.** Modifies orientation requirements.
 - **Subd. 4a. Orientation to individual service recipient needs.** Modifies requirements related to orientation to individual service recipient needs.
 - **Subd. 5. Annual training.** Modifies annual training requirements for direct support staff.
 - **Subd. 5a. Alternative sources of training.** Allows alternative sources of training and specifies requirements for license holders related to documenting alternative sources of training.
 - **Subd. 6. Subcontractors and temporary staff.** Modifies license holder requirements related to subcontractors and temporary staff.
 - **Subd. 7. Volunteers.** Modifies terminology and requires license holders to ensure that a background study has been completed and to maintain documentation that applicable requirements have been met.
 - **Subd. 8. Staff orientation and training plan.** Requires license holders to develop a staff orientation and training plan documenting when and how compliance with orientation and training requirements will be met.

- **28 Intervention services.** Creates § 245D.091.
 - **Subd. 1. Licensure requirements.** Specifies certain employees of licensed

programs providing specified services do not have to hold a separate license under this chapter. Individuals who are not providing services as an employee of a licensed program must obtain a license according to this chapter.

- **Subd. 2. Behavior professional qualifications.** Lists qualifications for behavior professionals, as defined in the BI and CADI waiver plans.
- **Subd. 3. Behavior analyst qualifications.** Lists qualifications for behavior analysts, as defined in the BI and CADI waiver plans.
- **Subd. 4. Behavior specialist qualifications.** Lists qualifications for behavior specialists, as defined in the BI and CADI waiver plans.
- **Subd. 5. Specialist services qualifications.** Lists qualifications for an individual providing specialist services, as defined in the DD waiver plan.

Makes this section effective January 1, 2014.

- **Record requirements.** Creates § 245D.095.
 - **Subd. 1. Record-keeping systems.** Requires license holders to ensure that certain records are uniform and legible.
 - **Subd. 2.** Admission and discharge register. Requires the license holder to keep a written or electronic register listing the dates and names of all persons served by the program who have been admitted, discharged, or transferred.
 - **Subd. 3. Service recipient record.** Requires license holders to maintain a record of current services provided to each person on the premises where the services are provided or coordinated. Lists the information that must be maintained for each person.
 - **Subd. 4.** Access to service recipient records. Requires license holders to ensure that certain people have access to service recipient records in accordance with applicable state and federal law, regulation, or rule.
 - **Subd. 5. Personnel records.** Requires the license holder to maintain a personnel record of each employee to document and verify staff qualifications, orientation, and training. Lists the information that must be included in the personnel record.

- **Policies and procedures.** Amends § 245D.10.
 - **Subd. 1. Policy and procedure requirements.** Modifies license holder policy and procedure requirements.
 - **Subd. 2. Grievances.** Requires the complaint process to promote service recipient rights.
 - Subd. 3. Service suspension and service termination. Modifies requirements

related to policies and procedures for service suspension and service termination.

Subd. 4. Availability of current written policies and procedures. Modifies license holder requirements related to making available current written policies and procedures.

Makes this section effective January 1, 2014.

- Policies and procedures; intensive support services. Creates § 245D.11.
 - **Subd. 1. Policy and procedure requirements.** Requires license holders providing intensive support services to establish, enforce, and maintain required policies and procedures.
 - **Subd. 2. Health and safety.** Requires license holders to establish policies and procedures that promote health and safety. Lists health and safety requirements.
 - **Subd. 3. Data privacy.** Requires license holders to establish policies and procedures that promote service recipient rights by ensuring data privacy according to the Minnesota Government Data Practices Act and the federal Health Insurance Portability and Accountability Act of 1996 (HIPAA).
 - **Subd. 4. Admission criteria.** Requires license holders to establish policies and procedures that promote continuity of care by ensuring certain admission or service initiation criteria are met.

Makes this section effective January 1, 2014.

- **Facility licensure requirements and application process.** Creates § 245D.21.
 - **Subd. 1. Community residential settings and day service facilities.** Defines "facility."
 - **Subd. 2. Inspections and code compliance.** Specifies requirements related to inspections and code compliance.

- **Facility sanitation and health.** Creates § 245D.22.
 - **Subd. 1. General maintenance.** Requires license holders to maintain the interior and exterior of buildings used by the facility in good repair and in a sanitary and safe condition. Requires license holders to correct building and equipment deterioration, safety hazards, and unsanitary conditions.
 - **Subd. 2. Hazards and toxic substances.** Requires license holders to ensure that service sites owned or leased by the license holder are free from hazards that would threaten the health or safety of a person receiving services. Lists requirements that must be met.
 - Subd. 3. Storage and disposal of medication. Requires certain controlled

Section

substances to be stored in a locked storage area permitting access only by persons and staff authorized to administer the medication. Requires medications to be disposed of according to EPA recommendations.

- **Subd. 4. First aid.** Requires staff people trained in first aid to be available on site and, when required in a person's coordinated service and support plan, cardiopulmonary resuscitation. Requires facilities to have first aid kits readily available. Specifies the items with which first aid kits must be equipped.
- **Subd. 5. Emergencies.** Requires license holders to have a written plan for responding to emergencies to ensure the safety of persons in the facility and lists information that must be included in the plan.
- **Subd. 6. Emergency equipment.** Requires each facility to have a flashlight and a portable radio or TV that do not require electricity and can be used if a power failure occurs.
- **Subd. 7. Telephone and posted numbers.** Requires each facility to have a noncoin operated telephone that is readily accessible. Requires a list of emergency numbers to be posted in a prominent location. Specifies the numbers that must be included on the list of emergency numbers. Requires the names and telephone numbers of each person's representative, physician, and dentist to be readily available.

Makes this section effective January 1, 2014.

- Community residential settings; satellite licensure requirements and application process. Creates § 245D.23.
 - **Subd. 1. Separate satellite license required for separate sites.** Requires license holders providing residential support services to obtain a separate satellite license for each community residential setting located at separate addresses when the settings are to be operated by the same license holder. Specifies a community residential setting is a satellite of the HCBS license. Specifies community residential settings are permitted single-family use homes. Requires the commissioner to notify the local municipality where the residence is located of the approved license.
 - **Subd. 2. Notification to local agency.** Requires license holders to notify the local agency within 24 hours of the onset of changes in a residence resulting from construction, remodeling, or damages requiring repairs that require a building permit or may affect a licensing requirement.
 - **Subd. 3. Alternate overnight supervision.** Specifies requirements for license holders who have been granted an alternate overnight supervision technology adult foster care license.

- 35 Community residential settings; physical plant and environment. Creates § 245D.24.
 - **Subd. 1. Occupancy.** Requires the residence to meet the definition of a dwelling

unit in a residential occupancy.

- **Subd. 2. Common area requirements.** Requires the living area to be provided with an adequate number of furnishings for the usual functions of daily living and social activities. Requires the dining area to be furnished to accommodate meals shared by all persons living in the residence. Requires furnishings to be in good repair and functional to meet the daily needs of the persons living in the residence.
- **Subd. 3. Bedrooms.** Requires persons receiving services to mutually consent to sharing a bedroom with one another. Specifies no more than two people receiving services may share one bedroom. Specifies size, furnishings, and other requirements bedrooms must meet.

Makes this section effective January 1, 2014.

- **36** Community residential settings; food and water. Creates § 245D.25.
 - **Subd. 1. Water.** Requires potable water from private wells to be tested annually to verify safety. Authorizes the health authority to require retesting and corrective measures under certain circumstances. Prohibits water temperature of faucets from exceeding 120 degrees Fahrenheit.
 - **Subd. 2. Food.** Requires food served to meet any dietary needs of a person as prescribed by the person's physician or dietician. Requires three nutritionally balanced meals to be served or made available per day, and requires nutritious snacks to be available between meals.
 - **Subd. 3. Food safety.** Requires food to be obtained, handled, and properly stored to prevent contamination, spoilage, or a threat to the health of a person.

- 37 Community residential settings; sanitation and health. Creates § 245D.26.
 - **Subd. 1. Goods provided by the license holder.** Specifies the household goods that must be made available by the license holder.
 - **Subd. 2. Personal items.** Requires personal health and hygiene items to be stored in a safe and sanitary manner.
 - **Subd. 3. Pets and service animals.** Requires pets and service animals housed in the residence to be immunized and maintained in good health. Requires license holders to ensure that the person and person's representative are notified before admission of the presence of pets in the residence.
 - **Subd. 4. Smoking in the residence.** Requires license holders to comply with the requirements of the Minnesota Clean Indoor Air Act, when smoking is permitted in the residence.
 - **Subd. 5.** Weapons. Requires weapons and ammunition to be stored separately in

locked areas that are inaccessible to a person receiving services. Defines "weapons."

Makes this section effective January 1, 2014.

- Day services facilities; satellite licensure requirements and application process. Creates § 245D.27. Requires license holders providing day services to apply for separate licenses for each facility-based service site when the license holder is the owner, lessor, or tenant of the service site at which services are provided more than 30 days within any 12-month period. Allows a day services program to operate multiple licensed day service facilities in one or more counties in the state. Makes this section effective January 1, 2014.
- 39 Day services facilities; physical plant and space requirements. Creates § 245D.28.
 - **Subd. 1. Facility capacity and useable space requirements.** Specifies facility capacity and useable space requirements for day services facilities.
 - **Subd. 2. Individual personal articles.** Requires each person to be provided space for storage of personal items for the person's own use while receiving services at the facility.

Makes this section effective January 1, 2014.

- **Day services facilities; health and safety requirements.** Creates § 245D.29.
 - **Subd. 1. Refrigeration.** Requires refrigeration to have a temperature of 40 degrees Fahrenheit or less if refrigeration is provided by the license holder.
 - **Subd. 2. Drinking water.** Requires drinking water to be available to all persons receiving services and to be provided in single-service containers or from drinking fountains accessible to all persons.
 - **Subd. 3. Individuals who become ill during the day.** Requires there to be an area in which a person receiving services can rest under certain circumstances.
 - **Subd. 4. Safety procedures.** Requires the license holder to establish general written safety procedures and specifies the information that must be included in the safety procedures.

- 41 Day services facilities; staff ratio and facility coverage. Creates § 245D.31.
 - **Subd. 1. Scope.** Makes this section apply only to facility-based day services.
 - **Subd. 2. Factors.** Lists factors that affect the number of direct support staff members a license holder is required to have on duty at the facility at a given time. Requires the commissioner to consider these factors in determining a license holder's compliance with staffing requirements and whether the staff ratio requirement for each person receiving services accurately reflects the person's need for staff time.
 - Subd. 3. Staff ratio requirement for each person receiving services. Specifies

DRAFT

Section

the process for the case manager to determine the staff ratio assigned to each person receiving services and requires documentation of how the ratio was determined.

- **Subd. 4. Person requiring staff ratio of one to four.** Specifies the conditions under which a person must be assigned a staff ratio of one to four.
- **Subd. 5. Person requiring staff ratio of one to eight.** Specifies the conditions under which a person must be assigned a staff ratio of one to eight.
- **Subd. 6. Person requiring staff ratio of one to six.** Requires a person who does not have any of the characteristics described in subdivisions 4 and 5 to be assigned a staff ratio of one to six.
- **Subd. 7. Determining number of direct support service staff required.**Specifies the steps for determining the number of direct support service staff required to meet the combined staff ratio requirements of the persons present at any one time.
- **Subd. 8. Staff to be included in calculating minimum staffing requirement.**Requires only direct support staff to be counted as staff members in calculating the staff to participant ratio. Allows volunteers to be counted under certain circumstances. Prohibits persons receiving services from being counted as or substituted for a staff member in calculating the staff to participant ratio.
- **Subd. 9. Conditions requiring additional direct support staff.** Requires the license holder to increase the number of direct support staff persons present at any one time beyond the number required if necessary under specified circumstances.
- **Subd. 10. Supervision requirements.** Prohibits one direct support staff member from being assigned responsibility for supervision and training of more than 10 persons receiving supervision and training, except as otherwise stated in each person's risk management plan. Requires a direct support staff member to be assigned to supervise the center in the absence of the director or a supervisor.
- **Subd. 11. Multifunctional programs.** Allows multifunctional programs to count other employees of the organization besides direct support staff of the day service facility in calculating the staff to participant ratio if the employee is assigned to the day services facility for a specified amount of time, during which the employee is not assigned to another organization or program.

- 42 Alternative licensing inspections. Creates § 245D.32.
 - **Subd. 1. Eligibility for an alternative licensing inspection.** Allows community residential setting and day services facility license holders to request approval for an alternative licensing inspection when all services provided under the license holder's license are accredited and certain other requirements are met.
 - **Subd. 2. Qualifying accreditation.** Requires the commissioner to accept a threeyear accreditation from the Commission on Accreditation of Rehabilitation Facilities

DRAFT

Section

as a qualifying accreditation.

- **Subd. 3. Request for approval of an alternative inspection status.** Specifies the process for requesting approval of an alternative inspection.
- **Subd. 4. Programs approved for alternative licensing inspection; deemed compliance licensing requirements.** Requires license holders approved for alternative licensing inspection to maintain compliance with all licensing standards, prohibits the commissioner from performing routine licensing inspections, and requires the commissioner to investigate complaints and take action as provided for in human services licensing statutes.
- **Subd. 5. Investigations of alleged or suspected maltreatment.** Specifies the commissioner retains the responsibility to investigate alleged or suspected maltreatment of a minor or a vulnerable adult.
- **Subd. 6. Termination or denial of subsequent approval.** Allows the commissioner to terminate or deny subsequent approval of an alternative licensing inspection if the commissioner makes certain determinations.
- **Subd. 7. Appeals.** Prohibits appeals of the commissioner's decision that the conditions for approval for an alternative licensing inspection have not been met.
- **Subd. 8.** Commissioner's programs. Excludes certain licensed HCBS providers from being approved for an alternative licensing inspection.

- Adult mental health certification standards. Creates § 245D.33. Requires the commissioner to issue a mental health certification for services licensed under this chapter when a license holder is determined to have met certain requirements. Makes this certification voluntary for license holders. Requires the certification to be printed on the license and identified on the commissioner's public Web site. Lists the requirements for certification. Requires license holders seeking this certification to request it on forms and in the manner prescribed by the commissioner. Allows the commissioner to issue correction orders, orders of conditional license, or sanctions if the commissioner finds that a license holder has failed to comply with the certification requirements. Prohibits appeals when a certification is denied or removed based on a determination that the certification requirements have not been met. Makes this section effective January 1, 2014.
- **Residential support services.** Amends § 256B.092, subd. 11. Modifies the types of settings than can provide residential support services and the criteria residential support services must meet.
- **Provider qualifications.** Amends § 256B.4912, subd. 1. Adds cross-references and modifies provider qualifications beginning January 1, 2014.

Section

- **Applicant and license holder training.** Amends § 256B.4912, subd. 7. Adds cross-references and requires newly enrolled HCBS providers to ensure that at least one controlling individual has completed training on waiver and related program billing within six months of enrollment.
- **Data on use of emergency use of manual restraint.** Amends § 256B.4912, by adding subd. 8. Requires facilities and services licensed under chapter 245D to submit data regarding the use of emergency use of manual restraint.
- **Definitions.** Amends §256B.4912, by adding subd. 9. Defines "controlling individual," "managerial officer," and "owner" for purposes of HCBS waivers.
- **Enrollment requirements.** Amends § 256B.4912, by adding subd. 10. Lists information and documentation all HCBS waiver providers must provide to the commissioner at the time of enrollment and within 30 days of a request.
- **Evaluation and referral of reports made to common entry point unit.** Amends §626.557, subd. 9a. Strikes the requirement for the common entry point to report allegations of maltreatment to the county when the report involves services licensed under chapter 245D.
- Lead investigative agency. Amends §626.5572, subd. 13. Provides that the Department of Human Services is the lead investigative agency for reports involving vulnerable adults who are receiving HCBS subject to chapter 245D.
- Integrated licensing system for home care and home and community-based services.

 Requires the Departments of Health and Human Services to jointly develop an integrated licensing system for providers of both home care services and for HCBS. Lists components that must be included in the integrated licensing system. Before implementation of the integrated licensing system, allows licensed home care providers to provide HCBS without obtaining a HCBS license. Lists conditions that apply to these providers.
- Repealer. (a) Repeals Minnesota Statutes, sections 245B.01 (rule consolidation); 245B.02 (definitions); 245B.03 (applicability and effect); 245B.031 (accreditation, alternative inspection, and deemed compliance); 245B.04 (consumer rights); 245B.05, subd. 1, 2, 3, 5, 6, and 7 (consumer protection standards); 245B.05 (staffing for DT&H services); 245B.06 (service standards); 245B.07 (management standards); and 245B.08 (compliance strategies), effective January 1, 2014.
 - (b) Repeals Minnesota Statutes, section 245D.08 (record requirements).

DRAFT

Section

Article 9: Waiver Provider Standards Technical Changes

Overview

This article provides technical changes related to the new waiver provider standards established in chapter 245D.

- Specific purchases. Amends § 16C.10, subd. 5. Makes technical and conforming changes to cross-references related to the establishment of waiver provider standards in chapter 245D. Makes this section effective January 1, 2014.
- **Service contracts.** Amends § 16C.155, subd. 1. Makes technical and conforming changes to cross-references related to the establishment of waiver provider standards in chapter 245D. Makes this section effective January 1, 2014.
- 3 Housing with services establishment or establishment. Amends § 144D.01, subd. 4. Makes technical and conforming changes to cross-references related to the establishment of waiver provider standards in chapter 245D. Makes this section effective January 1, 2014.
- **Applicability.** Amends § 174.30, subd. 1. Makes technical and conforming changes to cross-references related to the establishment of waiver provider standards in chapter 245D. Makes this section effective January 1, 2014.
- **Scope.** Amends § 245A.02, subd. 1. Makes technical and conforming changes to cross-references related to the establishment of waiver provider standards in chapter 245D. Makes this section effective January 1, 2014.
- **License holder.** Amends § 245A.02, subd. 9. Makes technical and conforming changes to cross-references related to the establishment of waiver provider standards in chapter 245D. Makes this section effective January 1, 2014.
- Permitted services by an individual who is related. Amends § 245A.03, subd. 9. Makes technical and conforming changes to cross-references related to the establishment of waiver provider standards in chapter 245D. Makes this section effective January 1, 2014.
- **Funds and property; other requirements.** Amends § 245A.04, subd. 13. Makes technical and conforming changes to cross-references related to the establishment of waiver provider standards in chapter 245D. Makes this section effective January 1, 2014.
- **License suspension, revocation, or fine.** Amends § 245A.07, subd. 3. Makes technical and conforming changes to cross-references and terminology related to the establishment of waiver provider standards in chapter 245D. Makes this section effective January 1, 2014.
- 10 Personal care. Amends § 256B.0625, subd. 19c. Makes technical and conforming changes to cross-references and terminology related to the establishment of waiver provider standards in chapter 245D. Makes this section effective January 1, 2014.

- 11 Contract provisions. Amends § 256B.5011, subd. 2. Makes technical and conforming changes to cross-references and terminology related to the establishment of waiver provider standards in chapter 245D. Makes this section effective January 1, 2014.
- **Agreement.** Amends § 471.59, subd. 1. Makes technical and conforming changes to cross-references and terminology related to the establishment of waiver provider standards in chapter 245D. Makes this section effective January 1, 2014.
- **Definitions.** Amends § 626.556, subd. 2. Makes technical and conforming changes to cross-references related to the establishment of waiver provider standards in chapter 245D. Makes this section effective January 1, 2014.
- Persons mandated to report. Amends § 626.556, subd. 3. Makes technical and conforming changes to cross-references related to the establishment of waiver provider standards in chapter 245D. Makes this section effective January 1, 2014.
- Notification of neglect or abuse in facility. Amends § 626.556, subd. 10d. Makes technical and conforming changes to cross-references related to the establishment of waiver provider standards in chapter 245D. Makes this section effective January 1, 2014.
- **Repealer.** Repeals Minnesota Statutes, section 256B.49, subd. 16a (MA reimbursement), effective January 1, 2014.

Article 10: Miscellaneous

Overview

This article changes the county share for placement costs for county residents at regional treatment centers, state nursing homes, and forensic transition services at the security hospital. It authorizes health licensing boards to conduct criminal background checks on applicants for initial licensure. A Cultural and Ethnic Leadership Council is created within DHS. A change is also made to the commissioner's authority to subsidize retailers for EBT transactions for SNAP transactions. The absent day limit is raised, and the MFIP family cap is repealed.

- **Absent days.** Amends § 119B.13, subd. 7. Modifies reimbursement provided under state child care assistance programs to child providers and license-exempt centers, to:
 - raise the limit, from ten to 25, on the number of days per year that providers can be reimbursed for full-day absent days of a child;
 - retain a ten day limit for consecutive full-day absent days; and
 - establish an exemption from the limit for some documented medical conditions.

The changes would have the effect of restoring reimbursement limits and a medical conditions exemption that had been in place prior to a 2011 legislative change.

2 Health-related licensing boards; criminal background checks. Creates § 214.075.

Subd. 1. Applications. By January 1, 2018, requires all applicants for initial

DRAFT

Section

licensure, licensure by endorsement, or reinstatement to submit to a criminal history check of state and national data. Requires completion of a criminal history check if more than one year has elapsed since the applicant last submitted a background check to the board.

- **Subd. 2. Investigations.** Allows a board to require a licensee to submit to a criminal history record check if the board has reasonable cause to believe the licensee has been charged with or convicted of a crime.
- **Subd. 3. Consent form; fees; and fingerprints.** Requires the applicant to submit a completed consent form for a criminal background check and a full set of fingerprints. Holds the applicant responsible for payment of all fees.
- **Subd. 4. Refusal to consent.** Prohibits a board from issuing a license to any applicant who refuses to consent to a background check or fails to submit fingerprints within 90 days after an application is submitted. Provides that failure to submit to a criminal background check as required in subdivision 3 is grounds for disciplinary action.
- **Subd. 5. Submission of fingerprints to the Bureau of Criminal Apprehension.** Requires the board to submit applicant fingerprints to the BCA. Requires the BCA to perform a check of state criminal justice information and to forward the fingerprints to the FBI for a check of national criminal justice information. Instructs the BCA to report findings back to the entity that initiated the background study.
- **Subd. 6. Alternatives to fingerprint-based criminal background checks.** Allows a board to require an alternative method of criminal history checks under specified circumstances.
- **Subd. 7. Opportunity to challenge accuracy of report.** Establishes the process and procedure for an applicant or licensee to challenge the accuracy of the criminal history information reported to the board or the commissioner.
- **Subd. 8. Instructions to the board; plans.** Requires the boards to collaborate with DHS and the BCA to establish a plan for completing criminal background checks of all licensees who were licensed before the effective date requirement under subdivision 1.
- 3 Liability of county; reimbursement. Amends § 246.54.
 - **Subd. 1.** County portion for cost of care. Increases the county portion for the cost of care at a regional treatment center or state nursing home for a county resident from 50 percent to 75 percent for any days over 60.
 - **Subd. 2. Exceptions.** Excludes services at the Minnesota Security Hospital from subdivision 1. Adds that for state-operated forensic transition services at the security hospital, the county share is 50 percent of the cost of care, unless the state receives payments from other sources in excess of 50 percent of the cost of care. In those cases, a county is responsible for only the remaining amount.

- 4 Cultural and Ethnic Communities Leadership Council. Creates § 256.999.
 - **Subd. 1. Establishment; purpose.** Creates a council to provide advice to the commissioner of human services on ways to reduce disparities that affect racial and ethnic groups.
 - **Subd. 2. Membership.** Paragraph (a) requires the commissioner to appoint a council of no less than 15 and no more than 25 members and to develop guidelines for operation of the council.

Paragraph (b) lists groups who are to be represented on the council.

Paragraph (c) provides that the commissioner must appoint members to a one-year or two-year term.

Paragraph (d) states that the members shall receive no compensation.

- **Subd. 3. Duties of the commissioner.** Requires the commissioner to work and consult with the council and based on council recommendations submit legislation to reduce disparities.
- **Subd. 4. Duties of the council.** Requires the council to identify issues regarding disparities; provide technical assistance to service providers to promote development of culturally appropriate, accessible, and cost-effective services; and make recommendations to the commissioner.
- **Subd. 5. Duties of the council members.** Requires council members to attend, prepare for, and participate in meetings, collaborate on disparity reduction efforts, and participate in activities to facilitate the goals and duties of the council.
- **Subd. 6. Expiration.** Provides that the council does not expire unless directed by the commissioner.
- **Supplementary rate for certain facilities.** Amends § 256I.05, subd. 1e. Strikes language allowing a supplementary rate to be negotiated with Teen Challenge.
- **EBT transaction costs.** Amends Laws 1998, ch. 407, art. 6, § 116. Prohibits the commissioner from subsidizing retailers for EBT SNAP transactions.

Effective date. Makes this section effective 30 days after the commissioner notifies retailers of the termination of their agreement with the state.

- Inclusion of other health-related occupations. Provides that if the Department of Health is not reviewed by the Sunset Commission as scheduled, then the commissioner of health shall require applicants for licensure or renewal to submit to criminal background checks as required in section 214.075.
- **Repealer.** Repeals § 256J.24, the MFIP family cap.

Section

Article 11: Home Care Providers

DRAFT

Overview

This article modifies regulation of home care providers. It classifies certain data collected by the commissioner of health; establishes two levels of home care licensure; codifies home care provider regulation in statute; increases fees; and requires the commissioner to inspect all licensees.

- **Data classification; private data.** Amends § 144.051 by adding subdivision 3. Classifies certain data collected, created or maintained by the commissioner of health as "private data" as defined in Minnesota Statutes, chapter 13.
- **Data classification; public data.** Amends § 144.051, by adding subdivision 4. Classifies certain data collected, created or maintained by the commissioner of health as "public data" as defined in Minnesota Statutes, chapter 13.
- **Data classification; confidential data.** Amends § 144.051, by adding subdivision 5. Classifies certain data collected, created or maintained by the commissioner of health as "confidential data" as defined in Minnesota Statutes, chapter 13.
- **Release of private or confidential data.** Amends § 144.051, by adding subdivision 6. Permits the Department of Health to release private or confidential data, except for social security numbers, to state, federal or local agencies and law enforcement to enhance investigate or enforcement efforts or to further public health protection.
- **Definitions.** Amends § 144A.43. Modifies definitions of terms applicable to regulation of home care services as provided in Minnesota Statutes, §§ 144.699, subdivision 2, and 144A.43 to 144A.482.
- Home care bill of rights. Amends § 144A.44. Makes technical changes and updates terminology. Combines enumerated rights related to being told provider charges for services and the extent to which, if known, payment can be expected from insurance, public programs or other sources. Adds to the list of enumerated rights: the right to be free from neglect, financial exploitation and other forms of maltreatment covered by the Vulnerable Adults Act and the Maltreatment of Minors Act; and the right to know a provider's reason for terminating services. Modifies exceptions that apply to the right to 10-day advanced notice of termination of services.

Provides that all home care providers must comply with the home care bill of rights and requires the commissioner to enforce the bill of rights against all home care providers regardless of licensure.

Regulation of home care services. Amends § 144A.45. Makes technical changes and updates terminology. Modifies listed purposes of the commissioner's regulation of home care providers. Makes conforming changes related to repeal of Minnesota Rules, chapter 4668. Requires the commissioner to inspect temporary licensees within one year of issuance

Section

of a temporary license and requires inspection of licenses at an interval that will promote the health and safety of clients. Removes provision related to Medicaid reimbursement for Class F providers. Removes provision related to licensed home care providers who provide Alzheimer's disease services.

- Home care provider and home care services. Adds § 144A.471. Requires home care providers to be licensed by the commissioner of health. Defines the phrases "direct home care service" and "regularly engaged" for purposes of license requirements. Establishes a misdemeanor for a home care provider who operates without a license. Establishes two categories of home care provider licensure: basic and comprehensive. Provides exemptions and exclusions from licensure, but specifies that exempted providers must still comply with the home care bill of rights.
- Home care provider license; application and renewal. Adds § 144A.472. Specifies information that must be provided to the commissioner by applicants for a home care provider license. Requires applicants for a comprehensive home care license to provide verification of certain policies and procedures. Includes license renewal provisions and requires licensees with multiple units that cannot share supervision and administration to obtain separate licenses for each unit. Prohibits transfer of any home care license. Sets fee schedule for initial licensure and license renewal fees.
- **Issuance of temporary license and license renewal.** Adds § 144A.473. Provides a process for temporary licensure, which is effective for one year, and requires inspection during that first year.
- Surveys and investigations. Adds § 144A.474. Requires the commissioner to conduct inspections of each home care provider and requires that surveys and investigations be conducted without advance notice. Requires home care providers to provide accurate and truthful information and specifies certain information that must be provided upon request. Requires the commissioner to investigate complaints against home care providers. Provides a process for correction orders, reconsideration and assessing fines.
- **Enforcement.** Adds § 144A.475. Sets out enforcement provisions. Provides reasons for which the commissioner may refuse to grant or renew or may suspend or revoke a license. Requires that providers must request an appeal no later than 15 days after receipt of notice of an action. Restricts eligibility for certain licenses for certain providers after a license is revoked or not renewed for noncompliance.
- **Background studies.** Adds § 144A.476. Requires background studies for owners and managers of home care provider services and for employees, contractors and volunteers.
- Compliance. Adds § 144A.477. Provides that the commissioner shall survey licensees under this chapter at the same time as for certification under Medicare, to the extent feasible. Provides that certain state regulations are equivalent to federal requirements for providers that are certified for participation in Medicare as a home health agency.

- **Innovation variance.** Adds § 144A.478. Defines "innovation variance" for purposes of this section. Establishes a process by which a provider may apply for and the commissioner may grant an innovation variance from requirements of this chapter.
- Home care provider responsibilities; business operation. Adds § 144A.479. Requires certain actions of home care providers with regard to business operations. Restricts non-governmental licensees from accepting powers-of-attorney from clients and from serving as a client's representative. Requires home care providers to report maltreatment of minors or vulnerable adults and must report suspected maltreatment. Requires each licensee to have an individual abuse prevention plan for vulnerable minors and adults for whom they provide services. Requires certain information to be kept as part of employee records.
- Home care provider responsibilities with respect to clients. Adds § 144A.4791. Requires providers to give clients notice of their rights under the home care bill of rights. Provides special requirements for home care providers that serve clients with dementia. Sets out requirements for licensees related to only accepting clients for which the provider is qualified to provide services; making referrals when the provider reasonably believes medical services from another health care provider are required; assessment and monitoring of services provided under a basic- or comprehensive-level of licensure; actions required in response to a request to discontinue life-sustaining treatment; termination of services plans; emergency preparedness; and client complaint processes.
- **Medication management.** Adds § 144A.4792. Prohibits medication management under a basic home care license. Provides requirements for medication management under a comprehensive home care license.
- 19 Treatment and therapy management services. Adds § 144A.4793. Prohibits treatment and therapy management under a basic home care license. Provides requirements for treatment and therapy management under a comprehensive home care license.
- **Client record requirements.** Adds §144A.4793. Regulates licensee maintenance of client records, including disclosure and access requirements; content requirements; and the duration of retention of records after client discharge or termination.
- Home care provider responsibilities; staff. Adds § 144A.4795. Provides requirements for the training and competency of staff providing home care services, including licensed health professionals and unlicensed personnel. Lists requirements for staff instructors and competency evaluators.
- Orientation and annual training requirements. Adds § 144A.4796. Requires staff who provide or supervise direct home care services to complete certain orientation requirements. Requires special training for providers who provide services for clients with Alzheimer's disease. Requires certain annual training for all staff who provide direct home care services.
- **Provision of services.** Adds § 144A.4797. Requires licensees to make available a contact person for staff consultations, and under a comprehensive license, that person must be a registered nurse. Provides supervision requirements for staff who perform basic home care services and for staff who perform delegated nursing or therapy tasks.

- **Employee health status.** Adds §144A.4798. Requires licensees to have in place a TB prevention and control program and requires providers to follow guidelines for prevention and control of other communicable diseases.
- Department of health licensed home care provider advisory council. Adds § 144A.4799. Requires the commissioner of health establish a home care provider advisory council to advise the commissioner on home care provider regulation including, but not limited to, regulation of community standards, enforcement f licensing standards and training standards.
- Home care licensing implementation for new licensees and transition period for current licensees. Adds §144A.481. Requires initial license applications to begin October 1, 2013. provides that home care providers licensed under the current structure must apply for either a basic or comprehensive home care license beginning October 1, 2013. Requires that all home care providers be have either a basic or comprehensive home care license by September 30, 2014.
- **Application of home care licensure during transition period.** Adds § 144A.4811. Describes application of licensure requirements during the transition period.
- **Registration of home management providers.** Adds § 144A.482. Sets out requirements and regulation provisions for home management providers. Requires entities that operate home management services, such as housekeeping or meal preparation, to be registered with the commissioner of health. Provides an annual fee for this required registration.
- Integrated licensing system for home care and home and community-based services.

 Requires the Department of Health's compliance and monitoring division and the Department of Human Services' licensing division to develop an integrated licensing system for providers who provide both home care services subject to licensure under Minnesota Statutes, chapter 144A and home and community-based services subject to licensure under Minnesota Statutes, chapter 245D.
- **Repealer.** (a) Repeals Minnesota Statutes §§ 144A.46 and 144A.461 (licensure and registration of home care services).
 - (b) Repeals Minnesota Rules, chapter 4668 (home care licensure and class F home care providers). Repeals Minnesota Rules, chapter 4669 (home care licensure fees).
- **Effective Date.** Provides an immediate effective date for this article.

Article 12: Health Department

- **Transfers.** Amends § 16A.724, subd. 2. Transfers \$1,000,000 each year from the health care access fund to the medical education and research costs (MERC) fund.
- Net worth limit. Adds § 62D.0425. Limits health maintenance organizations (HMOs) to a net worth of no more than 25 percent of the sum of all expenses incurred during the most recent calendar year, unless certain exceptions apply. Requires the commissioner of health, with the commissioners of commerce and human services, to determine the proportion of the

HMO's reserves that are attributable to gains in the state public health care programs. Requires HMOs to place excess capital reserves in special restricted accounts and requires that these funds be spent down as specified.

- **Distribution of funds.** Amends § 62J.692, subd. 4. Requires that \$1,000,000 each year of available MERC funding be distributed each year for grants to family medicine residency programs located outside of the seven-county metro area. Specifies certain eligibility requirements.
- **Designation.** Amends § 62Q.19, subd. 1. Adds certain hospitals and affiliated specialty clinics whose inpatients are mostly under age 21 to a list of essential community providers.
- **Bored geothermal heat exchanger.** Amends § 103I.005, by adding subd. 1a. Adds a definition of "bored geothermal heat exchanger."
- **Fees.** Amends § 103I.521. Directs fees collected by the commissioner under Minnesota Statutes, chapter 103I (wells, borings, and underground uses), to be credited to the state government special revenue fund.
- Who must pay. Amends § 144.123, subd. 1. Modifies the provision for collecting a fee for diagnostic laboratory services by permitted the commissioner to contract for the costs of analysis rather than charge a flat handling fee. Specifies that funds collected under contracts pursuant to this section must be deposited into a special account and appropriated to the commissioner. (Minn. Stat. § 144.123, subd. 2 is repealed in this article.)
- **Duty to perform testing.** Amends § 144.125, subd. 1. Increases the fee for the newborn screening programs, including early hearing detection, by \$34. Specifies that \$5 of the total fee amount must be deposited into the general fund for the support services required under the early hearing detection and intervention program and the remaining fee amount, \$135, must credited to the state government special revenue fund.
- **Definitions.** Amends § 144.212. Modifies defined terms related to vital records.
- Office of Vital Records. Amends § 144.213. Changes the title of the Office of State Registrar to the Office of Vital Records. Modifies the commissioners duties with regard to local issuance offices. Authorizes the state registrar to prepare reproductions of original records to preserve vital records and provides that certified reproductions must be accepted as originals. Specifies other duties of the registrar.
- Security of vital records system. Adds § 144.2131. Sets out duties of the state registrar related to authenticating users of the vital statistics system; authorizing access for authenticated users; identifying fraud and misuse of the system; validating data submitted to the state registrar; protecting personally identifiable information; and handling death records.
- **Father's name; child's name.** Amends § 144.215, subd. 3. Removes the requirement that the father's name be entered on a birth record in a case where declaration of parentage is executed under § 257.34.
- Social security number registration. Amends § 144.215, subd. 4. Makes conforming

Section

changes to the office title. Specifies that parents' social security numbers shall not appear on certified records. Changes classification of social security numbers from "private data on individuals" to "confidential data" under Minnesota Statutes, chapter 13.

- **Reporting a foundling.** Amends § 144.216, subd. 1. Makes conforming changes to the office title.
- Court petition. Amends § 144.217, subd. 2. Specifies that a petition filed related to delayed record of birth, must be filed in the county in which the birth allegedly occurred. Makes conforming changes to the office title.
- **Replacement of vital records.** Amends § 144.218, subd. 5. Removes requirements based on a declaration of parentage executed under § 257.34. Makes conforming changes.
- Amendment and correction of vital records. Amends § 144.2181. Provides requirements for amending and correcting vital records, including permitting the commissioner of health to adopt rules related to protecting the integrity and accuracy of vital records.
- Disclosure of information from vital records. Amends § 144.225. Makes conforming and technical changes. Modifies the classification of data pertaining to the birth of an individual and permitted disclosures of demographic birth data. Provides that the fact of birth of an individual, including the date, county of birth and the state file number is public. Removes obsolete language.
- **Fees.** Amends § 144.226. Modifies fees related to provided an amended vital record. Makes conforming and technical changes related to vital records provisions.
- **Definitions.** Adds § 144.492. Defines terms for purposes of this act: "commissioner" as commissioner of health; and "stroke" as the sudden death of brain cells in a localized area due to inadequate blood flow.
- **Criteria.** Adds § 144.493. Sets out criteria for hospitals based on different levels of stroke care capability: comprehensive stroke center; primary stroke center; and acute stroke ready hospital.
- **Designating stroke hospitals.** Adds § 144.494. Provides that no hospital can use the term "stroke center" or "stroke hospital" in its name unless it has been designated sucH.

Permits a hospital that meets criteria set out in section 2 to apply for designation as a stroke center or stroke hospital. Provides such designation would apply for a 3-year period.

- Health facilities construction plan submittal and fees. Adds § 144.554. Requires the commissioner to collect a fee for review of the construction plan submitted for approval from hospitals, nursing homes, boarding care homes, residential hospices, supervised living facilities, freestanding outpatient surgical centers, and end-stage renal disease facilities. Provides a fee schedule based on total estimated cost of the project.
- **Newborn Hearing Screening Advisory Committee.** Amends § 144.966, subd. 2. Extends expiration of the committee by six years.

Section

- **Annual fees.** Amends § 144.98, subd. 3. Reduces fees for environmental lab accreditation. Provides an immediate effective date.
- **State government special revenue fund.** Amends § 144.98, subd. 5. Specifies that the fees collected under this program must be credited to the state government special revenue fund.

Provides an immediate effective date.

- **Establishing a selection committee.** Amends § 144.98 by adding subd. 10. Requires the commissioner to establish a selection committee to recommend approval of qualified lab assessors and assessment bodies. Provides required membership and structure of the committee.
- **Activities of the selection committee.** Amends § 144.98 by adding subd. 11. Sets out duties of the selection committee established under subd. 10, including that the committee will determine assessor and assessment body application requirements and consider submitted applications.
- **Commissioner approval of assessors and scheduling of assessments.** Amends § 144.98 by adding 12. Provides criteria for assessors to meet in order to be approved by the commissioner.
- Laboratory requirements for assessor selection and scheduling assessments. Amends § 144.98 by adding subd. 13. Requires accredited labs or those seeking accreditation that need an assessment by the commissioner to select from a list of approved assessors. Limits the number of times a lab can select the same assessor to not more than twice in succession. Provides other requirements for labs relative to selecting an assessor. Specifies that the fees collected under this section are deposited in a special account and appropriated to the commissioner for assessment activities.
- Administrative penalty orders. Amends § 144.99, subd. 4. Provides the commissioner authority to issue certain specified administrative penalty orders for violations of the Lead Poisoning Prevention Act, Minnesota Statutes, sections 144.9501 to 144.9512. Specifies that revenue collected from these penalties must be credited to the state government special revenue fund.
- 32 Statewide health improvement program. Amends § 145.986.
 - **Subd. 1. Purpose.** Adds a purpose statement for the statewide health improvement program (SHIP).
 - **Subd. 1a. Grants to local communities.** Requires grantees to address health disparities and inequities in their community. Removes obsolete language. Permits the commissioner to award funding for strategies targeted at reducing other risk factors for chronic disease, aside from tobacco use, poor diet, and lack of physical activity. Requires the commissioner to develop criteria and procedures to allocate funding under this section.

- **Subd. 2. Outcomes.** Makes no changes.
- **Subd. 3. Technical assistance and oversight.** Requires the commissioner to award contracts to entities to assist in training and providing technical assistance to grantees. Permits contracts awarded under this section to be used for assistance in the following areas: community engagement and capacity building; tribal support; community asset building and risk behavior reduction; legal; communications; sitespecific strategies; and health equity.
- **Subd. 4. Evaluation.** Removes a requirement that the commissioner conduct an evaluation biennially and requires grantees to collect, monitor, and submit annual data. Requires the commissioner to award contracts to assist in designing and implementing evaluation systems and specifies uses of those contracts.
 - **Subd. 5. Report.** Removes obsolete language.
 - **Subd. 6. Supplantation of existing funds.** Makes no changes.
- Alkaline hydrolysis. Amends §§ 149A.02 to 149A.96. Modifies mortuary science provisions. Includes alkaline hydrolysis as a means of final disposition of dead human bodies and requires the commissioner of health to enforce all laws and adopt rules related to licensing and operation of alkaline hydrolysis facilities. Defines "branch funeral establishment" and provides these establishments are not required to have a preparation or embalming room. Provides that fees collected by the commissioner shall be credited to the state government special revenue fund.
- **Hospitals and department of health; recognition form.** Amends § 257.75, subd. 7. Makes conforming changes related to vital statistics.
- **Legal effect.** Amends § 260C.635, subd. 1. Makes conforming changes to the title of office of vital statistics.
- **Definition.** Amends § 517.001. Modifies the definition of "local registrar" for purposes of Minnesota Statutes, chapter 517 (Marriages).
- Minnesota Task Force on Prematurity. Amends Laws 2011, first special session. Modifies the duties of the task force by removing certain items that the task force was required to consider. Extends the deadline for submission of the final report and expiration of the task force from January 2013 to January 2015. Makes technical changes.
- 88 Staffing Plan Disclosure Act.
 - **Subd. 1. Definitions.** Defines terms used in this section, including the following: core staffing plan; non-managerial core staff; inpatient care unit; staffing hours per patient day; and patient acuity tool.
 - **Subd. 2. Hospital staffing report.** Provides that the chief nursing executive or designee of every hospital licensed under section 144.50 will develop a core staffing plan for each care unit.

- **Subd. 3. Standard electronic reporting developed.** (a) Requires hospitals to submit core staffing plan to the Minnesota Hospital Association (MHA) by January 1, 2014, and requires MHA to post each hospital's core staffing plan on its Minnesota Hospital Quality Report website by April 1, 2014. (b) Requires that on a quarterly basis, the MHA include each hospital's actual direct patient care hours per patient per unit. Requires that beginning July 1, 2014, and quarterly thereafter, hospitals must submit direct patient care reports to MHA.
- **Study; nurse staffing levels and patient outcomes.** Requires MDH to convene a working group to study a correlation between nurse staffing levels and patient outcomes. A report is due to the legislature by January 15, 2015.
- **Revisor's instruction.** Instructs the revisor to replace the term "vertical heat exchanger" with "bored geothermal heat exchanger."
- **Repealer.** (a) Repeals Minnesota Statutes, § 103I.005, subd. 20. (Definition of "vertical heat exchanger.)

Repeals Minnesota Statutes, §§ 149A.025 (alkaline hydrolysis regulation); 149A.20, subd. 8 (mortuary science fee); 149A.30, subd. 2 (mortuary science fee); 149A.40, subd. 8 (mortuary science fee); 149A.45, subd. 6 (mortuary science fee); 149A.50, subd. 6 (mortuary science fee); 149A.51, subd. 7 (mortuary science fee); 149A.52, subd. 5a (mortuary science fee); and 149A.53, subd. 9 (mortuary science fee)

Repeals Minnesota Statutes, § 485.14 (Receipt of vital statistics records by district court for preservation of records).

(b) Effective July 1, 2014, repeals Minnesota Statutes, § 144.123, subd. 2 (fees for diagnostic lab services).
