**Re: HF 633**

**To:** Chairperson West and Committee Members of the Children and Families Finance and Policy

My name is Samantha Memmen. I have been a childcare provider in Bloomington since October 2020. I would like to ask for your support with bill HF633. Please support a tax credit supporting local childcare providers.

A tax reduction and credit for daycare providers would be essential to keeping businesses like mine up and running, in addition to keeping costs lower for families who pay for child daycare services. Currently, I pay over \$1,000 a month on state taxes. A reduction or credit of my taxes would go a long way to keeping my business affordable.

Please support bill HF633 as it moves through the Minnesota legislature and support childcare providers like me.

Thank you for your support,

Samantha Memmen
