Overview

The international medical graduate primary care residency grant program is part of a set of initiatives to assist international medical graduates. The grant program awards grants to primary care residency programs to support residency positions for Minnesota immigrant physicians willing to serve in rural or underserved areas of the state. This bill adds general surgery residency programs to the types of programs eligible for a grant.

Summary

Section	Description
---------	-------------

1	International medical graduate primary care residency grant program and revolving account.
----------	---

Amends § 144.1911, subd. 6. Adds general surgery residency programs to the types of primary care residency programs eligible for a grant to support residency positions designated for Minnesota immigrant physicians willing to serve in rural or underserved areas of the state.
