

**H.F. 3202**

Delete-everything amendment

**Subject** Hairstyling and Makeup Services

**Authors** Christensen and others

**Analyst** Matt Gehring

**Date** February 26, 2020

**Summary**

This bill exempts the practices of hairstyling and makeup services from a licensure requirement with the Board of Cosmetology, and exempts practitioners from needing a permit to perform these services at a special event.

Both individual practitioners and salon facilities that provide only hairstyling or makeup services are covered by the exemption.
