

1.1 moves to amend H.F. No. 2294, the delete everything amendment
1.2 (H2294DE2), as follows:

1.3 Page 8, after line 6, insert:

1.4 "Sec. 12. **STUDY OF MANAGED CARE AND FEE-FOR-SERVICE.**

1.5 The commissioner of human services shall contract with an independent vendor with
1.6 demonstrated expertise in evaluating Medicaid managed care programs, to evaluate the
1.7 value of managed care and county-based purchasing for delivering health care services
1.8 to medical assistance and MinnesotaCare enrollees under Minnesota Statutes, sections
1.9 256B.69, 256B.692, and 256L.12. The commissioner shall present the results of the
1.10 evaluation to the legislature by January 15, 2013. In determining the value of managed
1.11 care and county-based purchasing, relative to a fee-for-service program, the vendor shall
1.12 consider:

1.13 (1) the satisfaction of state public health care program recipients and providers;

1.14 (2) the ability to measure and improve health outcomes of recipients;

1.15 (3) recipient access to health care;

1.16 (4) the availability of additional services, such as care coordination, case
1.17 management, disease management, transportation, and after-hours nurse lines;

1.18 (5) actual and potential cost-savings to the state;

1.19 (6) the degree of alignment with state and federal health reform policies, including a
1.20 health benefit exchange for individuals not enrolled in state public health care programs;

1.21 (7) the ability to use different provider payment models that provide incentives
1.22 for cost-effective health care; and

1.23 (8) other relevant factors as determined by the vendor."

1.24 Page 11, line 31, after the period, insert "In comparing for-profit health maintenance
1.25 organizations operating in other states with not-for-profit health maintenance organizations
1.26 operating in Minnesota, the entity must consider differences in regulatory oversight,

- 2.1 benefit requirements, network standards, human resource costs, and assessments, fees, and
- 2.2 taxes, which may impact the cost and quality comparisons."
- 2.3 Renumber the sections in sequence and correct the internal references
- 2.4 Amend the title accordingly
