

# H.F. 787

As amended by H0787DE1

**Subject** Carbon-free energy standard

**Authors** Anderson, P.H.

**Analyst** Bob Eleff

**Date** March 11, 2025

## Summary

Under House File 787, as amended by the H0787DE1 amendment, the mandatory targets that electric utilities must meet with respect to the proportion of their energy generated or procured from carbon-free sources apply only to sources generated within the state of Minnesota.
