

Subject Escort vehicle requirements

Authors Fogelman and others

Analyst Matt Burress (matt.burress@house.mn.gov)

Date April 1, 2025

Summary

This bill modifies requirements for escort vehicles that accompany vehicles with an overdimensional load width, including to:

- set additional criteria for when escorts that include a peace officer are required for loads that extend over the centerline on an undivided highway;
- allow for fewer escorts in conjunction with alternative safety measures; and
- make technical changes.
