

Subject Hubert H. Humphrey statue

Authors Long and others

Analyst Colbey Sullivan

Date March 30, 2025

Summary

This bill would appropriate \$200,000 to the Department of Administration to replace the statue of Minnesota's Henry Mower Rice in Statuary Hall in the United States Capitol with a recast version of the Hubert H. Humphrey statue that currently stands on the Capitol Mall in St. Paul. The Henry Mower Rice statue would be transported to the Minnesota Historical Society.
