1.7 "Sec. Minnesota Statutes 2020, section 152.29, subdivision 3a, is amended to read:

1.8 Subd. 3a. **Transportation of medical cannabis; transport staffing.** (a) A medical
1.9 cannabis manufacturer may staff a transport motor vehicle with only one employee if the
1.10 medical cannabis manufacturer is transporting medical cannabis to ~~either a certified~~
1.11 ~~laboratory for the purpose of testing or~~ a facility for the purpose of disposal. If the medical
1.12 cannabis manufacturer is transporting medical cannabis for any other purpose or destination,
1.13 the transport motor vehicle must be staffed with a minimum of two employees as required
1.14 by rules adopted by the commissioner.

1.15 (b) Notwithstanding paragraph (a), a medical cannabis manufacturer that is only
1.16 transporting hemp for any purpose may staff the transport motor vehicle with only one
1.17 employee.

1.18 (c) A medical cannabis manufacturer may contract with a third party for armored car
1.19 services for deliveries of medical cannabis from its production facility to distribution
1.20 facilities. A medical cannabis manufacturer that contracts for armored car services remains
1.21 responsible for compliance with transportation manifest and inventory tracking requirements
1.22 in rules adopted by the commissioner.

2.1 (d) A third-party testing laboratory may staff a transport motor vehicle with one or more
2.2 employees when transporting medical cannabis from a manufacturer's production facility
2.3 to the testing laboratory for the purpose of testing samples.

2.4 (e) Department of Health staff may transport medical cannabis for the purposes of
2.5 delivering medical cannabis and other samples to a laboratory for testing under rules adopted
2.6 by the commissioner and in cases of special investigations when the commissioner has
2.7 determined there is a potential threat to public health. The transport motor vehicle must be
2.8 staffed by a minimum of two Department of Health employees. The employees must carry
2.9 their Department of Health identification cards and a transport manifest that meets the
2.10 requirements in Minnesota Rules, part 4770.1100, subpart 2.

2.11 (f) A Tribal medical cannabis program operated by a federally recognized Indian Tribe
2.12 located within the state of Minnesota may transport samples of medical cannabis to testing
2.13 laboratories in the state. Transport vehicles must be staffed by at least two employees of
2.14 the Tribal medical cannabis program. Transporters must carry identification identifying
2.15 them as employees of the Tribal medical cannabis program and a detailed transportation
2.16 manifest that includes the place and time of departure, the address of the testing laboratory
2.17 destination, and a description and count of the medical cannabis being transported."

2.18 Renumber the sections in sequence and correct the internal references
