Outstanding Provider Debt (p. 7)

Policy and Procedure

- Program staff - notification letters
- Finance division - accounts receivable billing

Staff were not aware of their responsibilities.

Outstanding Provider Debt (p. 9)

DHS is planning to forgo recovery of outstanding provider debt that may still be recoverable.

- Balances under \$1,000
- Balances over 6 years old
- Balances for providers that have filed bankruptcy or are deceased
- Balances that DHS will pursue

Recommendations:

- Recover outstanding debt
- Work with the Legislature to clarify its authority to recover outstanding debt

Financial Reporting (p. 11)

DHS has not accurately reported its accounts receivable balance to MMB for inclusion in the state's financial statements since 2019.

- Balance has grown since 2016
- Estimate for uncollectible amount decreased
- No write offs of older balances since at least 2016

Recommendations:

- Accurately report its accounts receivable balance
- Improve internal controls

Claims Data (p. 12)

DHS was unable to provide adequate data to enable us to confirm the outstanding provider balances.

- Incomplete data
- Variances between data and reported amounts
- Incorrect dates

Recommendations:

- Maintain documentation
- Ensure balances are accurate
