| (1) Under federal law portions of federal CWSRF funds are provided as principal forgiveness (grants). If certified by MPCA, projects meeting Green Project Reserve (GPR) criteria may be eligible for principal forgiveness for 25% of eligible GPR project costs up to \$1,000,000 (Minnesota Statutes, Section 446A.07, subdivision 8).  |                    |                      |  |                    |                       |                         |                               |  |   |   |  |   |  |  |
| (2) Under federal law portions of federal CWSRF funds, including 49% of IJJA/BIL Supplemental funds, must be provided as principal forgiveness (grants). Principal forgiveness grants are authorized under Minnesota Statutes, Section 446A.07, subdivision 8(a)(7) to address affordability needs based on WIF affordability criteria in state statutes. Project eligibility for principal forgiveness grants cannot be determined until a complete loan application is received. |                    |                      |  |                    |                       |                         |                               |  |   |   |  |   |  |  |
| (3) Water Infrastructure Fund (WIF) grants funds are based on affordability criteria in Minnesota Statutes, Section 446A.072, Subdivision 5a(b). Project eligibility for WIF grants cannot be determined until a complete loan application is received.  |                    |                      |  |                    |                       |                         |                               |  |   |   |  |   |  |  |
| (4) Point Source Implementation Grants (Minnesota Statutes 446A.073) are based on the need for the project to meet MPCA permit requirements. Project eligibility for PSIG grants must be verified by MPCA engineering review.  |                    |                      |  |                    |                       |                         |                               |  |   |   |  |   |  |  |
