This bill appropriates \$3.5 million from the general fund in fiscal year 2018 for the Metropolitan Council to provide funding to suburban transit providers (i.e., the opt-outs), which is for the costs of capital improvements to the suburb-to-suburb transit project.

Previous appropriations for the suburb-to-suburb transit project include \$1 million each year in fiscal years 2016, 2017, and 2018.
