Overview

This bill appropriates \$5,000,000 each fiscal year from the general fund to the commissioner of health for family planning grants. The commissioner distributes these grants to community health boards and nonprofit organizations to fund the provision of pre-pregnancy family planning services. These services include provision of family planning counseling services; distribution of information about family planning; referrals to health care providers or local health agencies for examinations, medical treatment, and prescriptions; and distribution of family planning products.
