

Subject Getting to work grant program

Authors Koegel

Analyst Anna Scholin

Date March 13, 2023

Summary

Creates the getting to work grant program in statute to make grants to nonprofits to provide, repair, or maintain motor vehicles for low-income workers to help them get and keep employment.

Stipulates an educational or counseling component must be part of each program and sets out the application process and the eligibility criteria. Requires a report to the legislature.

Appropriates \$1,000,000 each year in fiscal years 2024 and 2025 from the general fund for the getting to work grant program and allows five percent to be used for administration and monitoring.
