

Subject Third-party transportation of medical cannabis

Authors Freiberg, Liebling

Analyst Elisabeth Klarqvist

Date February 27, 2023

Overview

This bill authorizes medical cannabis manufacturers to use armored car services to deliver medical cannabis to distribution facilities, and authorizes Department of Health staff to transport medical cannabis for testing and special investigations.

Summary

Section	Description
---------	-------------

- | | |
|---|---|
| 1 | <p>Transportation of medical cannabis; transport staffing.</p> <p>Amends § 152.29, subd. 3a. Allows a medical cannabis manufacturer to contract with a third party for armored car services to deliver medical cannabis from its production facility to distribution facilities. Also allows Department of Health staff to transport medical cannabis to deliver medical cannabis and other samples to a laboratory for testing and for special investigations. Requires a transport motor vehicle to be staffed with at least two department employees.</p> |
