## Overview

ServeMinnesota is the statutorily designated recipient of federal Americorps funds. It combines state money with federal money and provides participants in youth service programs with living expenses or a stipend, health insurance, child care if needed, and a postservice educational award that may be used for higher education costs or to repay student loans. ServeMinnesota operates Reading Corps and Math Corps. Section 124D.42 establishes program requirements for both Reading Corps and Math Corps.

This bill modifies requirements for Minnesota Math Corps and appropriates money for the program.
