Date March 6, 2025

Overview

This bill authorizes the establishment of road signs to provide direction to the location of automatic external defibrillator (AED) devices.

Summary

Section	Description
1	[Adds § 160.802] Automatic external defibrillator wayfinding signs. Authorizes signs on public roads to identify locations of publicly available outdoor automatic external defibrillator devices. Provides for sign placement, sets out request requirements and removal procedures, specifies payment of sign costs, and requires website information. Effective October 1, 2025.
2	Automatic external defibrillators; Manual on Uniform Traffic Control Devices. Sets requirements for the Minnesota Department of Transportation on automatic external defibrillator road sign design and updates to the Minnesota Manual on Uniform Traffic Control Devices. Effective the day after enactment.
