Summary

This bill appropriates \$9,000,000 in fiscal year 2026 from the general fund to the commissioner of human services for grants to community-based HIV/AIDS support services providers, makes the appropriation available until June 30, 2027, and sets the base appropriation for fiscal year 2028.

HIV/AIDS support services increase access to cost-effective health care services, reduce the risk of HIV transmission, ensure that basic client needs are met, and increase client access to needed community supports or services.
