

**Subject** Higher education: North Star Promise scholarships

**Authors** Bakeberg

**Analyst** Nathan Hopkins

**Date** March 31, 2025

## Summary

This bill limits North Star Promise scholarships to students pursuing programs of study in industries and occupations that the Office of Higher Education (using data from the Department of Employment and Economic Development) determines to be in high demand in Minnesota.

This change would apply beginning in the 2026-2027 academic year.
