## Summary

This bill would establish a continuous fishing season for largemouth and smallmouth bass. Under current law, the season for largemouth and smallmouth bass is the same as the season for walleye and some other species and runs from the Saturday two weeks prior to the Saturday of Memorial Day weekend through the last Sunday in February (ex. May 10, 2025, through February 22, 2026) with certain limitations established under Minnesota Rules.
